Re: Response of City of Austin to Technical Assistance Letter of 12/23/08

Dear Ms. Cutlar:

This is the response of the City of Austin and Austin Police Department (APD) to the technical assistance letter (TA letter) of December 23, 2008. Based on the recommendations in the TA letter, APD has made a number of changes to its policies. Some of those changes were discussed with Jonas Geissler and Corey Sanders of your office during the two telephone conferences that were held with them on May 13 and May 29, 2009. We also forwarded some of those policies to Mr. Geissler and Mr. Sanders by e-mail after the phone conferences. Those e-mails and attachments are included as Exhibits S and T.

This letter is to provide you with written responses that document the City of Austin's position on the many recommendations made by the Department of Justice, and to provide you with a set of up-to-date policies that reflect the changes that have been made.

This letter is organized as follows:

I. Recommendations and Responses. The first section contains each recommendation made in the technical assistance letter, followed by a response from APD. These are set out in the order in which they appear in the original letter, with references to the page number on which the recommendation appears. We have inserted the subject headings from the TA letter for ease of reference. Each recommendation also has a number that we have assigned to it for tracking purposes. Where applicable, we have included information on how APD ensures compliance with policy by its personnel.
