African Intellectuals and the State of the Continent Olayiwola Abegunrin, Sabella Abidde, 2018-07-26 This festschrift is composed in honor of a distinguished scholar and Pan Africanist Professor Sulayman S Nyang whose career and intellectual pursuits spans more than 45 years much of it at Howard University Nyang's contributions to African affairs transcend the scope of the academic world as he served as First Secretary and Head of Chancery of the Gambian Embassy in Saudi Arabia from 1975 to 1977 and consultant to the World Bank and United Nations agencies In addition Professor Nyang served as the President of the Interfaith Conference of Metropolitan Washington DC and a member of the boards of many academic journals and organizations of Islamic Studies in the USA He has published copiously on a variety of issues affecting continental Africans Africans in the Diaspora and beyond He has published and collaborated on dozens of books and book chapters and more than 100 articles in referred journals **Explaining Religious Party Strength** Mário Rebelo, 2022-12-30 Explaining Religious Party Strength explores why religious political parties are electorally successful in

some countries but not in others Drawing on insights from political science and sociology this book argues that religious parties are typically formed for defensive reasons reacting against state builders attempts to secularize public services such as education welfare and healthcare Building on these findings the author argues that the strength of religious parties is determined by the infrastructural power of the state Weak states that fail to provide adequate public services open up space for religious communities to build a dense network of private schools hospitals and charities which translates into votes for religious political parties By contrast strong states that provide efficient public services squeeze out private welfare providers undermining the electoral strength of religious political parties. The author tests this theory through statistical analysis using a new dataset on all religious parties which have participated in national parliamentary elections between 1800 and 2015 He includes comparative historical analyses of Roman Catholic political parties in France and Italy and Sunni Islamic political parties in Egypt Turkey and Albania This book will interest students and scholars of religion and politics specifically those interested in party formation voting and political activism as well as policymakers of Socialism Peter Lamb, 2024-02-20 Socialism has been an influential force for social change for almost two centuries Its philosophy and ideology have inspired millions while simultaneously arousing fear and revulsion in its enemies Having emerged after the French Revolution in the effort to build upon and develop the egalitarian ideas of the Enlightenment socialism has taken many forms It has furthermore sometimes been manipulated and reformulated by opportunists who have built authoritarianism and totalitarian dictatorships in its name Opponents seize on such examples to frighten away people who may otherwise have found socialism attractive Socialism has survived such criticism and misrepresentation as its core principles have struck a chord with generations of people concerned with social justice Historical Dictionary of Socialism Fourth Edition contains a chronology an introduction a glossary and an extensive bibliography The dictionary section has over 500 cross referenced entries on activists politicians political thinkers political parties and organizations and key topics concepts and aspects of socialist theory This book is an excellent access point for students researchers and anyone wanting Political Handbook of the World 2008 Arthur S Banks, William Overstreet, Thomas to know more about socialism Muller, 2008-04-15 With more than 200 entries on countries and territories throughout the world this bestselling volume is the most authoritative one stop source for findingfacts and analysis on each country's governmental and political makeup

<u>Coalitional Presidentialism in Comparative Perspective</u> Paul Chaisty, Nic Cheeseman, Timothy J. Power, 2018-02-02 This book provides the first cross regional study of an increasingly important form of politics coalitional presidentialism Drawing on original research of minority presidents in the democratising and hybrid regimes of Armenia Benin Brazil Chile Ecuador Kenya Malawi Russia and Ukraine it seeks to understand how presidents who lack single party legislative majorities build and manage cross party support in legislative assemblies It develops a framework for analysing this phenomenon and blends data from MP surveys detailed case studies and wider legislative and political contexts to analyse systematically the tools

that presidents deploy to manage their coalitions The authors focus on five key legislative cabinet partisan budget and informal exchange of favours tools that are utilised by minority presidents They contend that these constitute the toolbox for coalition management and argue that minority presidents will act with imperfect or incomplete information to deploy tools that provide the highest return of political support with the lowest expenditure of political capital In developing this analysis the book assembles a set of concepts definitions indicators analytical frameworks and propositions that establish the main parameters of coalitional presidentialism In this way Coalitional Presidentialism in Comparative Perspective provides crucial insights into this mode of governance Oxford Studies in Democratization is a series for scholars and students of comparative politics and related disciplines Volumes concentrate on the comparative study of the democratization process that accompanied the decline and termination of the cold war The geographical focus of the series is primarily Latin America the Caribbean Southern and Eastern Europe and relevant experiences in Africa and Asia The series editor is Laurence Whitehead Senior Research Fellow Nuffield College University of Oxford Violent Non-State Actors Zdenek Ludvík, 2023-05-15 Violent Non State Actors The Politics of Territorial Governance is an original in depth scholarly explanation of the impact of territorial penetration control and governance on the effectiveness of the activities of violent non state actors VNSA The theoretical framework operates with the assertion that a non linear causal relationship mediated through the capacity for territorial control and governance exists between the effectiveness of objective achievement and territorial penetration Using four case studies Zdenek Ludv k links these interrelated concepts of territorial penetration territorial control and territorial governance into an interrelated sequentially conceptualized causal framework To this end extensive and unique empirical material gathered to examine the activities of VNSA in considerable detail presents a wholly original and comprehensive method of measuring the degree of territorial capability of VNSA Zdenek Ludv k demonstrates that there is no directly proportional relationship between territorial penetration and objective effectiveness since neither territorial penetration nor territorial control alone are sufficient to achieve increased effectiveness He shows that territorial penetration and territorial governance are necessary conditions for objective effectiveness since only when territorial penetration and territorial control are followed by territorial governance at the level of advanced wartime social order can VNSA hope to achieve a higher degree of effectiveness Obstacles to Democracy in Sub-Saharan Africa Nagmeldin Karamalla-Gaiballa, 2025-02-10 This book analyses the failure factors of democratic experiences in Sub Saharan Africa focusing on the Republic of Sudan Through historical comparisons it aims to further our understanding of democratic African state formation in the aftermath of colonialism the impact of military coups on undermining democracy in sub Saharan Africa the formation and structuring of political parties in the region and the failures and successes of popular revolutions in establishing good governance To do so the author weaves a portrait of the current state of democratic governance in Sudan and the broader sub Saharan region by threading primary data analysis such as expert interviews and surveyed participants of the Sudanese revolution along with

their personal reflections and observations on life lived in Sudan Arguing that the nation is in a state of political crisis the book posits that Sudan marks a potent example of failing democratic institutions in sub Saharan Africa in the post colonial When Ideas Matter Bilal A. Baloch, 2021-10-07 A study of ideas their substance origins and salience in government decision making during credibility crises in India and developing democracies **Political Repression in Bahrain Marc** Owen Jones, 2020-07-16 From torture to fake news this book lays out how the Bahrain regime has used political repression and violence to fight social movements International Economic Law and Governance Julien Chaisse, Tsai-yu Lin, 2016-08-11 Nation states have long and successfully claimed to be the proper and sovereign forum for determining a country's international economic policies Increasingly however supranational and non governmental actors are moving to the front of the stage New forms of multilateral and global policy making have emerged including states and national administrations key international organizations international conferences multinational enterprises and a wide range of transnational pressure groups and NGOs that all claim their share in exercising power and influence on international and domestic policy making In honour of Professor Mitsuo Matsushita's intellectual contributions to the field of international economic law this volume reflects on the current state and the future of international economic law The book addresses a broad spectrum of themes in contemporary international economic regulations and focuses specifically on the significant areas of Professor Matsushita's scholarship including the rise of the soft law mechanism in international economic regulation the role of the WTO and dispute settlement and specific areas such as competition subsidies anti-dumping intellectual property and natural resources Part one of the volume provides a comprehensive and critical analysis of the rule based international dispute settlement mechanisms Part two investigates the normative influences to and from WTO law and Part three focuses on policy and law making issues Federalism and Decentralization in Africa Leonid Issaev, Andrey Zakharov, 2024-11-09 This book examines the challenges and opportunities of administrative and territorial reconstruction in Africa from independence until the present time In light of the rise of separatist movements in various African states and the ethnic linguistic and religious heterogeneity of many African societies the book sheds new light on the fragmentation and decentralization of the African continent The authors analyze the mechanisms forms and models of decentralization practiced today in Africa taking into account both federalist and unitary experiences of decentralization and discuss the potential of federalism to resolve conflicts within the continent The generalizations made in the course of such an analysis can significantly enrich the current vision of the development of the African continent and its future prospects The book will appeal to scholars and students of political science and African studies Rebel Parties in African Post-Conflict Elections Nora Schrader-Rashidkhan, 2021-05-04 In vielen Post Konflikt Gesellschaften weltweit beteiligen sich ehemalige Rebellengruppen als politische Parteien an Wahlen Die Studie behandelt die Gr ndung und den Erfolg solcher Rebellenparteien in Afrika und geht der Frage nach inwiefern institutionelle Strukturen diese Prozesse beeinflussen Der

entwickelte Forschungsansatz erm glicht zun chst eine systematische Erfassung aller afrikanischen F lle seit 1989 um dann komplexe Kausalbeziehungen mit einer qualitativ vergleichenden Analyse mit Fuzzy Sets fsQCA aufzudecken Die Ergebnisse zeigen u a dass Institutionen wie Friedensabkommen Opportunit tsstrukturen fr Rebellenparteien pr gen und zu Pfadabh ngigkeiten f hren und dass demokratischere Wahlen die Etablierung solcher Parteien eher verhindern **Elections in Germany** Wolfram Nordsieck, 2022-04-22 Parties and Elections in Germany is a comprehensive reference guide to the federal and state elections and federal and state governments in Germany since 1918 the elections to the European Parliament and to all significant present and past political parties Listed are more than 290 parties The guide includes basic data of these parties founding years political orientations affiliations to European political parties European Parliament groups and political internationals and a chronological summary of their history predecessors name changes mergers and Leadership and Change Management Daphne Halkias, Joseph C. Santora, Nicholas Harkiolakis, Paul W. splits Thurman, 2017-03-16 A leader s role in the management of change is a critical issue for successful outcomes of strategic initiatives Globalization and economic instability have prompted an increase in organizational changes related to downsizing and restructuring in order to improve financial performance and organizational competitiveness Researchers agree that a leader's inability to fully understand what is needed in order to guide their organization through successful change can be a reason for failure Proper planning and management of change can reduce the likelihood of failure promote change effectiveness and increase employee engagement Yet change in organizations must be viewed as a continuous activity that affects both organizational and individual outcomes If change management can be considered as an event induced by socio cultural factors the cultural variable gains greater significance when applied to the quality of the relationship between a leader and their team Many organizations today are on the verge of internationalization It is here that the cultural context can affect behaviors and in the same way leadership style The research presented in this book by an eminent group of scholars explores the influence of culture ethnic regional religious on how leaders manage change within organizations

Political Handbook Of The World 2014 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Handbook Of The World 2014 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Handbook Of The World 2014 has opened up a world of possibilities. Downloading Political Handbook Of The World 2014 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Handbook Of The World 2014 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Handbook Of The World 2014. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Handbook Of The World 2014. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Handbook Of The World 2014, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Handbook Of The World 2014 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Handbook Of The World 2014 Books
