Mass Pardons in America Graham Dodds, 2021-08-10 Again and again in the nation's history presidents of the United States have faced the dramatic challenge of domestic insurrection and sought ways to reconcile with the rebels afterward This book is the first comprehensive study of how presidential mass pardons have helped put such conflicts to rest Graham G Dodds examines when and why presidents have issued mass pardons and amnesties to deal with domestic rebellion and attempt to reunite the country He analyzes how presidents have used both deeds and words proclamations of mass pardons and persuasive rhetoric in order to foster political reconciliation The book features in depth case studies of the key instances of mass pardons in U S history beginning with George Washington's and John Adams's pardoning participants in armed insurrections in Pennsylvania in the 1790s In the nineteenth century James Buchanan Benjamin Harrison and Grover Cleveland issued pardons to Mormon insurrectionists and polygamists and Abraham Lincoln and Andrew Johnson pardoned Confederates both during and after the Civil War Most recently Dodds considers Gerald Ford's clemency and Jimmy Carter's amnesty of Vietnam War resisters Beyond exploring these events *Mass Pardons in America* offers new perspectives on the president's pardon power unilateral presidential actions and presidential rhetoric more broadly Its implications span fields including political history presidential studies and legal history

Rules for Rebels Max Abrahms, 2018-09-04 Ever wonder why militant groups behave as they do For instance why did Al Qaeda attack the World Trade Center whereas the African National Congress tried to avoid civilian bloodshed Why does Islamic State brag over social media about its gory attacks while Hezbollah denies responsibility or even apologizes for its carnage This book shows that militant group behaviour depends on the tactical intelligence of the leaders The author has extensively studied the political plights of hundreds of militant groups throughout world history and reveals that successful militant leaders have followed three rules These rules are based on original insights from the fields of political science psychology criminology economics management marketing communication and sociology It turns out there's a science to victory in militant history But even rebels must follow rules

War, Technology and the State Warren Chin, 2025-01-21 This book explores the relationship between the state and war within the context of seismic technological change As we experience a fourth industrial revolution technology already exerts a huge impact on the character of war and military strategies in the form of drones and other types of remote warfare However technological developments are not confined to the defence sector and the diffusion of military technology inevitably also affects the wider economy and society This book investigates these possible developments and speculates on their ramifications for the future Through its analysis the book questions what will happen to war and the state and whether we will reach a point where war leads to the unmaking of the state itself

What Is Enlightenment? Mohammed D. Cherkaoui, 2016-04-11 Political sociology has struggled with predicting the next turn of transformation in the MENA countries after the 2011 Uprisings Arab activists did not articulate explicitly any modalities of their desired system although

their slogans ushered to a fully democratic society These unguided Uprisings showcase an open ended freedom to question after Arabs underwent their freedom from struggle from authoritarianism The new conflicts in Egypt Syria Yemen and Libya have fragmented shar iya legitimacy into distinct conceptualizations revolutionary legitimacy electoral legitimacy legitimacy of the street and consensual legitimacy This volume examines whether the Uprisings would introduce a replica of the European Enlightenment or rather stimulate an Arab Islamic awakening with its own cultural specificity and political philosophy By placing Immanuel Kant in Tahrir Square this book adopts a comparative analysis of two enlightenment projects one Arab still under construction with possible progression toward modernity or regression toward neo authoritarianism and one European shaped by the past two centuries Mohammed D Cherkaoui and the contributing authors use a hybrid theoretical framework drawing on three tanwiri enlightenment philosophers from different eras Ibn Rushd known in the west as Averroes the twelfth century Immanuel Kant the eighteenth century and Mohamed Abed Al Jabri the twentieth century The authors propose a few projections about the outcome of the competition between an Islamocracy vision and what Cherkaoui terms as a Demoslamic vision since it implies the Islamist movements flexibility to reconcile their religious absolutism with the prerequisites of liberal democracy This book also traces the patterns of change which point to a possible Arab Axial Age It ends with the trials of modernity and tradition in Tunisia and an imaginary speech Kant would deliver at the Tunisian Parliament after those vibrant debates of the new constitution in 2014

Reconstructing the Civic Amal Jamal,2020-08-01 Reconstructing the Civic examines the civic activism of the homeland Palestinian minority in Israel Employing a multi methodological and empirically rich approach Amal Jamal blends historical description with interviews of Palestinian elites drawn from a diverse range of civil society groups such as NGOs youth movements and religious organizations He also critiques the failure of Western liberal scholarship to account for the experience of minority civil society organizations in illiberal social and political contexts largely because this literature assumes there is an inherent relationship between civil society and democracy Jamal places an important spotlight on the complex interplay between liberal and illiberal trends in the emergence organization and transformation of Palestinian civil society in Israel as well as the need to introduce an alternative ethical model that aims to reconstruct ethnic states in universal civic terms *Africa since Decolonization* Martin Welz,2021-01-21 An introduction to African history and politics since decolonization emphasising the political economic and socio economic diversity of the continent
