Polo Custom Fit Guide:

Dr. Lazare's the Patient's Guide to Dentistry Marc Lazare D.D.S.,2011-04-04 This book was written by the creator of the popular Dental Expert and Pediatric Dental Expert app for the iPhone and iPad Dr Marc Lazare who has gathered information from the top dental experts in their fields to answer the most frequently asked dental questions in all categories of dental care The Patients Guide to Dentistry is the ultimate guide to everything you would like to know and everything you should know There are many questions people have about dental care There are terms that they have heard mentioned but aren't quite sure what they are They have heard about advances in dental technology and various treatments but don't know who to ask about them Their dentist is often too busy to present all the different choices one has and doesn't have the time to explain in detail what needs to be done People have a fear of the unknown and a fear of dentistry is common We all are concerned with doing what is best for us and our family while trying to keep costs down There are many aspects of basic dental care we do not understand The idea of when to see a dentist and if I go will I have pain are just some of the universal concerns Here in one book are the answers we need A Clinical Guide to Dental Traumatology - E-Book Louis H. Berman,Lucia Blanco,Stephen Cohen,2006-09-25 This practical highly illustrated book describes the treatment and management of commonly encountered traumatic injuries to the teeth It relates these types of trauma to crown fractures root fractures luxation injuries and exarticulations A step by step reference this book also discusses complications that may involve surrounding soft and hard tissues plus those that may arise in managing medically compromised patients Hundreds of full color photographs and illustrations show concepts and depict case studies and treatment outcomes Step by step descriptions of treatment plans offer recipes for treating patients according to type of injury For each type of traumatic injury you'll learn these key steps How to perform a correct initial assessment of the problem How to determine whether the patient suffers any related problems How to record the injury and its subsequent treatment in the patient record How to avoid future problems by ensuring that the entire tooth is treated including any hidden injury to the pulp or dentin Information on etiology and epidemiology of problems promotes more effective treatment of specific injuries and conditions The Law and Dental Trauma chapter explains legal issues unique to treating dental injuries under emergency conditions Psychological Impact of Injuries chapter describes the reactions that trauma patients may have and how dentists can improve treatment by providing the patient with emotional support and holistic management Chapters on hard tissue injuries focus on injuries to tooth hard tissue anatomy and one chapter examines soft tissue management discussing types of trauma and their effects on surrounding oral tissues Introductory chapter provides an overview of topics discussed in the book Hundreds of references are listed alphabetically at the end of each chapter with research studies and current articles for further research An interdisciplinary approach includes periodontal endodontic and pediatric considerations for specific types of injuries A Travel Guide to the Middle Ages Anthony Bale,2024-04-23 An immensely entertaining history The New Yorker A captivating

journey of the expansive world of medieval travel from London to Constantinople to the court of China and beyond Europeans of the Middle Ages were the first to use travel guides to orient their wanderings as they moved through a world punctuated with miraculous wonders and beguiling encounters In this vivid and alluring history medievalist Anthony Bale invites readers on an odyssey across the medieval world recounting the advice that circulated among those venturing to the road for pilgrimage trade diplomacy and war Journeying alongside scholars spies and saints from Western Europe to the Far East the Antipodes and the ends of the earth Bale provides indispensable information on the exchange rate between Bohemian ducats and Venetian groats medieval cures for seasickness and how to avoid extortionist tour guides and singing sirens He takes us from the streets of Rome more ruin than tourist spot and tours of the Khan's court in Beijing to Mamluk controlled Jerusalem where we ride asses across the holy terrain and bustling bazaars of Tabriz We also learn of rumored fantastical places like ones where lambs grow on trees and giant canes grow fruit made of gems And we are offered a glimpse of what non-European travelers thought of the West on their own travels Using previously untranslated contemporaneous documents from a colorful range of travelers and from as far and wide as Turkey Iceland North Africa and Russia *A Travel Guide to the Middle Ages* is a witty and unforgettable exploration of how Europeans understood and often misunderstood the larger world
