Pompeii Its Life And Art:

Pompeii, Its Life and Art August Mau, 1907 **Pompeii, Its Life and Art** August Mau, 2019-11-25 In *Pompeii Its Life and Art* August Mau delves into the rich tapestry of daily life and artistic expression in the ancient Roman city of Pompeii tragically buried by the eruption of Mount Vesuvius in 79 AD. Mau adopts a meticulous yet engaging narrative style blending exhaustive archaeological research with lively descriptions to resurrect the societal dynamics, cultural practices, and artistic achievements of Pompeii. This seminal work serves as a cornerstone in the study of Roman art and social history, offering insights into the intricacies of Pompeian domestic life, religious practices, and public festivities, all illuminated by vivid frescoes and mosaics that encapsulate the vibrancy of the era. August Mau, a distinguished art historian and archaeologist, drew upon his extensive fieldwork and previous scholarship to uncover the layers of human experience encapsulated in the ruins of Pompeii. His deep-seated passion for classical antiquity, along with his position in the burgeoning field of archaeology in the late 19th and early 20th centuries, uniquely positioned him to weave a narrative that is both informative and evocative. Mau's scholarly approach is underscored by a desire to make the ancient world accessible and relatable to contemporary readers. For enthusiasts of classical studies, art history, or archaeology, *Pompeii Its Life and Art* is an indispensable volume that transports readers to the vibrant streets of a city frozen in time. Mau's eloquent prose and passion for his subject make this book a profound exploration of Pompeii's legacy, inviting readers to engage with the artistic and cultural heritage that continues to inform our understanding of the ancient world. He holds a unique place among the scholars who have given attention to Pompeian antiquities, and his contributions to the literature of the subject have been numerous in both German and Italian. The present volume, however, is not a translation of one previously issued, but a new work first published in English, the liberality of the publishers having made it possible to secure assistance for the preparation of certain restorations and other drawings which Professor Mau desired to have made as illustrating his interpretation of the ruins. In one respect there is an essential difference between the remains of Pompeii and those of the large and famous cities of antiquity as Rome or Athens, which have associated with them the familiar names of historical
