Here's What You'll Find In This Book: Car Mechanic Christie Marlowe, 2014-09-02. For many high school graduates, college is a way to get ahead, but going to college is not the only way for young adults to succeed. Many people choose to enter the workforce after high school to start earning money and gaining experience right away. These motivated young workers can have rewarding jobs without ever having to earn a 4-year college degree. If you're interested in cars and don't know that you want to, or can go to college, a career in car repair and maintenance might be for you. Young people need only a high school diploma or equivalent to start in car repair and maintenance, and they can eventually earn more than 50,000 a year. In Car Mechanics, you'll learn how to start a career in auto repair and what you need to succeed in the field. Find out about the prospects for these careers in the future, how much car repair workers can make each year, and whether your path to success includes a career as a car mechanic. **Ironies of Solidarity** Erik Bähre,2020-01-15 Set in one of the world s most unequal and violent places this ethnographic study reveals how insurance companies discovered a vast market of predominantly poor African clients After apartheid ended in 1994 South Africa became a testing ground for new insurance products new marketing techniques and pioneering administrative models with a potentially global market Drawing on Rorty s notion of irony for understanding how the contradictions inherent to solidarity affect inequality and conflict as well as drawing on a vast array

of case studies Ironies of Solidarity examines how both Africans enjoy the freedoms that they have gained in financial terms and how the onset of democracy effected the risks faced in everyday life B here examines the ways in which policies are sold and claims are handled offering a detailed analysis of South Africa s insurance sector *Brisk Justice* Charles H Lumpkin, III, Charles H. Lumpkin, 3rd, 2006-09 In Small Claims Court there s only one winner Don t let your opponent rake you over the coals It happened to me Burned like toast Now I m fighting back the best way I know how by showing you how to fight and win in small claims court If you re like most honest folks the closest you ve ever come to a courtroom battle is watching two people slug it out in front of television s Judge Judy But chances are that you have already been wronged by some someone Like it or not you are going to have to defend your honor and reputation in front of a judge Here s just a small sample of what you ll discover the minute you start flipping through *Brisk Justice* The two keys to a successful outcome in any court case and no hiring an attorney is not one of them page 7 Simple steps you can take to make the judge s life easier helping the judge understand your case can make a huge difference in your favor How to rip apart your opponent s case all perfectly legal 300 an hour attorneys do it every day pages 58 60 Five good reasons why you might want to settle out of court Hint Even if you win the court battle you could lose the war in other ways Read pages 96 99 to avoid making a big mistake The one thing you must never do in a court case guaranteed if you miss this little detail you ll go down in flames The information in *Brisk Justice* is the super powerful ammunition you ll need to win in Small Claims Court I believe in this book so much I proudly offer a money back guarantee You ll win your Small Claims Court case or this book is FREE Just send me a message I ll refund your money Done and done No questions asked If you re being sued the clock is already ticking Get an answer to the court before the deadline or you lose Here s more Stupid little mistakes to avoid like the plague make just one and you ll lose the case hands down When and why you should bring your case to court even if the other party decides to settle at the last minute Don t miss this little insurance policy on page 117 Get all the lingo down pat 19 legal terms you need to understand they re not difficult just important pages 13 16 Bad checks are a pain in the butt In small claims court you can get the bum to pay the original amount of the check plus additional money for damages if you know how to do this Flip to page 88 The only time you should ever raise an objection to your opponent s testimony and why you should never say objection your honor It s on page 153 Verbal promises are contracts enforceable by law but what I reveal about what s said after a written contract is signed will shock you Make sure you read this or you won t have a legal leg to stand on pages 62 and 69 If you ve been wronged you ll need to write a demand letter to the yellow dog On pages 104 113 I show you how to write a legal and effective demand letter even if you flunked your creative writing course I also show you how to write a killer response if you receive a demand letter I include real samples Way better than fill in the blanks Why even a written contract is no guarantee you ve got a winning case it s a simple matter of law you need to know now If you re lucky you ll be able to settle your differences the old fashioned way with a handshake and an apology Maybe it ll cost you a few bucks in the process That s a BIG maybe You see

today we live in a world where people end up in court over the least little thing And once it gets to court it becomes a really big thing If you re not up for the challenge you could lose your shirt as well as your pride and your dignity There s only one winner in a court battle I m here to help you come out on top
