Emergency Department Compliance Manual 2013 Edition provides everything you need to stay in compliance with complex emergency department regulations. The list of questions helps you quickly locate specific guidance on difficult legal areas such as:

- Complying with COBRA
- Dealing with psychiatric patients
- Negotiating consent requirements
- Obtaining reimbursement for ED services
- Avoiding employment law problems

Emergency Department Compliance Manual also features first hand advice from staff members at hospitals that have recently navigated a Joint Commission survey and includes frank and detailed information. Organized by topic, it allows you to readily compare the experiences of different hospitals. Because of the Joint Commission's hospital wide function based approach to evaluating compliance, it's been difficult to know specifically what's expected of you in the ED. Emergency Department Compliance Manual includes a concise grid outlining the most recent Joint Commission standards which will help you learn what responsibilities you have for demonstrating compliance. Plus, Emergency Department Compliance Manual includes sample documentation that hospitals across the country have used to show compliance with legal requirements and Joint Commission standards:

- Age related competencies
- Patient assessment policies and procedures
- Consent forms
- Advance directives
- Policies and protocols
- Roles and responsibilities of ED staff
- Quality improvement tools
- Conscious sedation policies and procedures
- Triage referral and discharge policies and procedures

And much more. Emergency Department Compliance Manual has been updated to include new and updated legal and regulatory information affecting your ED including:

- Updated questions and answers covering such topics as Physician Payment Sunshine Act requirements
