Mission Statement

It is the mission of the Poliquin International Certification Program to globally foster and educate our strength coaches and personal trainers. Providing them with superior education and practical application, in turn will raise the level of sport performance and healthy lifestyle ideas. Poliquin Performance was founded on this philosophy and continues to be our driving force to help us remain the world leader in strength and conditioning education.

Program Overview

The Poliquin International Certification Program (PICP) recognizes strength coaches around the world who demonstrate the knowledge and skills able to effectively train athletes internationally.

Higher-quality strength coaching is an imperative component in improving sports performance. The PICP will provide strength coaches with unsurpassed skills in program design and teaching methodologies.

Poliquin Picp Manual:

The Complete Guide to Functional Training Allan Collins, 2015-12-24 As well as being the concept in fitness and strength and conditioning functional training is also probably the most poorly understood concept in fitness Functional training is any exercise that improves your ability to perform tasks required in your day to day life job or chosen sport so that each movement included as part of your workout mimics a range of motion or engages muscles that are necessary to impact on performance whether it be on the rugby pitch or simply the ability to lift small children out of car seats Includes over 100 functional exercises and detailed pictures and descriptions of all the techniques show you clearly how to apply them into your training programme

The Complete Guide to Kettlebell Training Allan Collins, 2015-12-08 The perfect introduction to kettlebell training a hugely popular piece of equipment with tried and tested results A kettlebell is a weight that looks like a cannonball with a handle Originating from Russia kettlebell training is now a global phenomenon with clubs gyms and individuals investing in equipment and training Weights range from 4kg to 48kg They differ from dumbbells and barbells in that the centre of mass is offset from the handle so the weight constantly pulls against your hand improving coordination and anaerobic fitness and strengthening your core muscles Kettlebells can be used for a variety of purposes from weight loss to strength training by people with a range of fitness levels Popular with celebrities such as Penelope Cruz and Sylvester Stallone they are also used for training players at Chelsea and Liverpool football clubs and in 2010 the British Army got on board when their PTI corp responsible for the Army s physical training signed up to a 30 day course designed and implemented by the author The book includes information on the benefits of kettlebell training and how to use the equipment safely and provides warm ups drills and training programmes for beginner intermediate and advanced levels From buying a kettlebell to training for weight loss it s a comprehensive guide to a popular new fitness tool

Adopting the Melody of Expression: An Mental Symphony within **Poliquin Picp Manual**

In a world taken by displays and the ceaseless chatter of fast interaction, the melodic elegance and emotional symphony produced by the written term usually disappear into the backdrop, eclipsed by the persistent noise and distractions that permeate our lives. However, nestled within the pages of **Poliquin Picp Manual** a stunning literary treasure overflowing with fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, this fascinating masterpiece conducts readers on a psychological trip, well unraveling the hidden melodies and profound influence resonating within each cautiously crafted phrase. Within the depths with this poignant examination, we will explore the book is key harmonies, analyze their enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
