Introduction to Political Ideologies John Hoffman, 2006

Ideological Fixation Azar Gat, 2022 After theorists around 1960 proclaimed the death of

ideology ideological divides and clashes have reemerged with renewed intensity throughout the world including in the liberal democracies In the United States they have become particularly venomous The other side is widely viewed as malicious irrational or downright stupid and often as barely legitimate The zeal of the opposing sides is often scarcely less than that which characterized the religious ideologies of old Indeed historical religious ideologies have largely been replaced by secular religions or religion substitutes The book is not another survey of past and present ideologies It is an attempt to understand the cognitive emotional and social roots of ideology and ideological fixation It combines insights from evolutionary psychology regarding the nature of some of our deepest proclivities with a broad sweep through history

Principles and Politics in Contemporary Britain Mark Garnett, 2013-10-28 This book shows the importance of political ideas in policy making and demonstrates the extent to which pragmatic considerations preclude the imposition of rigid ideological programmes It charts the decline of the postwar British consensus the changing face of both the Conservative and Labour parties under the long shadow of Thatcherism and the growing emergence of single issue policies such as environmentalism and feminism With an extensive bibliography and suggested seminar and essay topics Principles and Politics can be used on any course which focuses on contemporary British politics as well as having general appeal to those interested in looking at the contemporary political and ideological debate in the context of wider issues and trends This second edition is completely revised and updated

Political Ideas and Concepts Andrew Heywood, 1994-05-15 The book offers an accessible and very comprehensive survey of the major ideas and concepts encountered in politics Each chapter discusses a cluster of related terms exploring how they have been used by different thinkers and traditions and examining the debates and controversies that have sprung up around them Lucidly written and clearly structured the book provides an ideal introduction to politics and political theory
