*The A to Z of the Baptists* William H. Brackney,2009-09-16 With 110 million members worldwide Baptists are surpassed only by Roman Catholic and Orthodox groups as the largest segment of Christians The term Baptist has its origins with the Anabaptists the denomination historically linked to the English Separatist movement of the 16th century Although Baptist churches are located throughout the world the largest group of Baptists lives in the Southern United States and the Baptist faith has historically exerted a powerful influence in that region of the country The A to Z of the Baptists relates the history of the Baptist Church through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important events doctrines and the church founders leaders and other prominent figures who have made notable contributions This volume commemorates the 400th anniversary of the founding of the Baptist movement in 1609

*The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Three* James Leo Garrett Jr.,2019-08-29 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950 2015 the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many Volume 3 contains his works on ecclesiology and provides much needed light in a day of great confusion on many issues related to the nature purpose and mission of the church Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life The Collected Writings of James Leo Garrett Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations

**Historical Dictionary of the Baptists** William H. Brackney,2009-04-13 The second edition of the Historical Dictionary of the Baptists expands upon the first edition with an updated chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important events doctrines and the church founders leaders and other prominent figures who have made notable contributions This volume commemorates the 400th anniversary of the founding of the Baptist movement in 1609

**The Standard Manual for Baptist Churches** Edward T. Hiscox,2023-11-20 Edward T Hiscox s The Standard Manual for Baptist Churches serves as a comprehensive guide for the governance and operation of Baptist congregations meticulously outlining the principles of church polity membership and worship Hiscox utilizes a clear didactic style that harmonizes theological tenets with practical church administration embodying the 19th century Baptist revival movement s emphasis on congregational autonomy and scriptural authority The manual delves into various aspects of church life including ordinances church roles and the relationship between pastor and congregation thus situating itself as a vital resource within the broader context of American Protestant literature Hiscox a prominent Baptist leader and theologian

became an influential figure in the American Baptist community during the 19th century His experiences as a pastor and educator profoundly shaped his understanding of church governance and his desire for clarity in ecclesiastical matters Through his manual Hiscox sought not only to instruct but also to foster a collective identity among Baptists emphasizing the importance of democratic principles rooted in biblical teachings This manual is indispensable for contemporary church leaders scholars and laypersons seeking to understand the foundations of Baptist governance Hiscox's thoughtful insights and practical guidelines offer timeless wisdom for fostering a vibrant church community making this work essential reading for those interested in the dynamics of church life and leadership *Baptist Churches in Action* Gaines Stanley Dobbins, 1929 Systematic Theology, Volume 2, Second Edition James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary *The Baptists* William H. Brackney, 1994-05-30 A brief narrative survey of the Baptists in North America over the last three and a half centuries from their roots in Europe to their present manifestations in contemporary America and the world The six chapters are organized around five distinctives historically important to Baptists the Bible the Church the ordinances sacraments voluntarism and religious liberty Concluding with a Chronology and extensive Bibliographic Essay this is an ideal text for courses in Church History North American Religious History or American social and cultural history A Comparative Study of the Practice of Baptist Polity in Baptist Churches in Java, Indonesia, and in the Muskogee Baptist Association of Oklahoma as Based on Lee McCoy's Book

"Understanding Baptist Polity" Frank L. Lewis,1984

**Church Laws and Ecumenism** Norman Doe,2020-09-27 Written by experts from within their communities this book compares the legal regimes of Christian churches as systems of religious law The ecumenical movement with its historical theological focus has failed to date to address the role of church law in shaping relations between churches and fostering greater mutual understanding between them In turn theologians and jurists from the different traditions have not hitherto worked together on a fully ecumenical appreciation of the potential value of church laws to help and sometimes to hinder the achievement of greater Christian unity This book seeks to correct this ecumenical church law deficit It takes account of the recent formulation by an ecumenical panel of a Statement of Principles of Christian Law which has been welcomed by Pope Francis and the Ecumenical Patriarch of Constantinople leader of the Orthodox Church worldwide as recognizing the importance of canon law for ecumenical dialogue This book therefore not only provides the fruits of an understanding of church laws within ten Christian traditions but also critically evaluates the Statement against the laws of these individual ecclesial communities The book will be an essential resource for scholars of law and religion theology and sociology It will also be of interest to those working in religious institutions and policy makers

**Christian Law** Norman Doe,2013-09-12 Christian Law Contemporary Principles offers a detailed comparison of the laws of churches across ten distinct Christian traditions worldwide Catholic Orthodox Anglican Lutheran Methodist Reformed Presbyterian United Congregational and Baptist From this comparison Professor Doe proposes that all denominations of the faith share common principles in spite of their doctrinal divisions and that these principles reveal a concept of Christian law and contribute to a theological understanding of global Christian identity Adopting a unique interdisciplinary approach the book provides comprehensive coverage on the sources and purposes of church law the faithful lay and ordained the institutions of church governance discipline and dispute resolution doctrine and worship the rites of passage ecumenism property and finance as well as church State and society This is an invaluable resource for lawyers and theologians who are engaged in ecumenical and interfaith dialogue showing how dogmas may divide but laws link Christians across traditions
