Gramp tied those thin bodiedephemerella as he called them on size eighteen hooks their pale green bodies and diaphanous
gray wings reminded us of tiny unmoored sailboats and when the duns themselves were adrift upon the surface of the pool
we watched as an entire armada of delicate translucent ships spun and took flight I couldn t fish right away I never can when
the duns first come up I have to watch them suddenly upon the surface their wings drying for that one day of life above the
stream To have a chance at life each pale dun for a time must drift ignorant of the forms that wait below In the thirteen
stories ofPale Morning Dun Richard Dokey endeavors to suggest common truths that uncover the human reality any time in
any place He explores the ephemeral nature of life through an assemblage of characters as diverse as the settings they
inhabit from a beggar on the streets of San Francisco The West Coast Coliseum of Consumption to a boy and his brother fly
fishing in a peaceful mountain stream unaware that they have stumbled upon the threshold of a horrific crime from a
desperate husband pursuing his estranged wife into the bloody arena of a bullfight to a lakeside cottage where two lovers
reveal perhaps too much of themselves Each uniquely rendered character faces a dilemma that leads him beyond what he
knows of himself forcing him to new insights The characters struggles though distinctively their own reveal universal truths
about human nature and the transient quality of life Employing an inspired blend of humor irony and imagination in seamless
narration Dokey allows one to enter readily into these idiosyncratic lives inviting the reader to explore his own capacity to be
human to empathize and respond *Popular Mechanics* ,1985-06 Popular Mechanics inspires instructs and influences
