Waltzing the Magpies Sam Pickering, 2011-03-02 Praise for Sam Pickering The art of the essay as delivered by Mr Pickering is the art of the front porch ramble The New York Times Book Review Reading Pickering is like taking a walk with your oldest wittiest friend Smithsonian What a joy it is to mess around with Professor Sam Pickering The Chattanooga Times Pickering is a barefoot observer of the quotidian who revels in the spectacle and its gift for surprise prefers the rumpled to the starched has raised puttering and messing about to an art form and wrings from it more than a pennyworth of happiness and a life well lived Kirkus Reviews The movie Dead

Poets Society is where most Americans first met Sam Pickering the University of Connecticut English professor Robin Williams plays the lead character loosely based on Pickering an idiosyncratic instructor who employs some over the top teaching methods to keep his subjects fresh and his students learning Fewer know that Pickering is the author of more than 16 books and nearly 200 articles or that he's inspired thousands of university students to think in new ways And while Williams may have captured Pickering's madcap classroom antics he didn't uncover the other side of the author Sam Pickering as one of our great American men of letters Like the music of Mozart the painting of Picasso or the poetry of Emily Dickinson you can spot Pickering's writing a mile away there's no mistaking the Pickering pen As an ample demonstration of the author's literary gifts *Waltzing the Magpies* is his unabashedly lush and Technicolor travelogue from Down Under On the face of it *Waltzing* is the chronicle of a sabbatical year spent with family in Australia Yet beneath the surface Pickering's big themes family nature seizing the moment move in a powerful current that frequently bursts out in moments of ecstatic revelation and intense sensual flourish Through it all Pickering weaves stories from his fictional Southern town of Carthage Tennessee especially when the goings of the outside world get rough *Waltzing the Magpies* is classic Pickering at the height of his literary powers and places him in the company of such great American essayists as E B White and James Thurber but with an irony and observational prowess that is pure Pickering

Irish Shores : A journey round the rim of Ireland Paul Clements,2016 *Irish Shores A Journey Round the Rim of Ireland* tells the story of a hitchhike around the West of Ireland's coastline It conjures up a picture of a pre Celtic Tiger Ireland reminding us that that was not really very long ago This can act as a companion publication to Paul Clement's recent travel book *Wandering Ireland's Wild Atlantic Way* as it covers virtually the same route but a quarter of a century later so making a wonderful snap shot of Ireland before and after the Tiger
