ISCAS 2001,2001 **My Family and I** Adam Gussow,2025-02-25 An inspiring memoir about the author s lifelong quest for racial reconciliation the love that sustains his interracial family in contemporary Mississippi and the Yes we can hope for American renewal that fades after the deaths of Trayvon Martin Michael Brown and the despair driven rise of Black Lives Matter What has happened to the dream of beloved community embraced by Martin Luther King Jr and the civil rights movement of the

early 1960s the vision of a just humane and colorblind America a nation of black and white together animated by the spirit of mutual respect and strengthened by the bonds of brotherly love As Adam Gussow shows in this urgently needed new book the dream although pressured on every front remains alive At the heart of *My Family and I* is Gussow's determination in King's terms to live out the true meaning of America's creed a quest for transracial brotherhood that takes him from a blues partnership forged on the streets of 1980s Harlem through graduate training at Princeton and decades later a transformative course on the blues literary tradition that he shares with inmates at Mississippi's notorious Parchman Farm Anchoring Gussow's quest is a story of enduring love a playful soulful interracial romance between the newly hired professor at Ole Miss and his soon to be wife Sherrie that blossoms with the birth of a musically gifted son Shaun As America explodes with protest and riots in the summer of 2020 after the death of George Floyd as social justice fundamentalists insist on stigmatizing whiteness and hardening the color line rather than healing the divisions that plague us Gussow is forced to fight for what he loves not just the sanctity of his family circle but King's dream of beloved community *My Family and I* gifts the reader with hope for a future beyond America's seemingly insoluble racial dilemmas *The Universe Crack'd* Chris Johnson, 2021-12-21 Psychic investigator Craig Ramsey returns home to discover shocking news He had died a year ago No one believes it is him Not even his wife Brianna And where is his daughter Worse still the ghosts he once knew and communed with have vanished and are nowhere to be found He is alone and confused in a strange world Until he finds a clue left behind by himself before he passed which takes him on an even more dangerous adventure Again he is plunged into turmoil as he has to strive to solve the multiple disappearances of children across the city and state infiltrate a clandestine government experiment and save Statton from imminent destruction And through it all he has to survive the plots of a madman An old adversary Craig once believed dead who will do anything to ensure the psychic never returns from the grave again This supernatural thriller featuring a unique mix of crime and the paranormal is ideal for fans of Michael Crichton Richard Matheson Dean Koontz Richard Laymon Stephen King and the X Files *Cable Ties* Bill Conrad, 2022-08-23 In a post 9/11 world knowledge is power and secretly leveraged knowledge is the most powerful of all When two hunters in the woods of Clearwater Georgia stumble onto an underground bunker filled with sophisticated information gathering equipment the FBI sets up surveillance to discover who has been stealing sensitive national secrets As clues point to double crossing operatives in cahoots with French and Russian agencies FBI director Russell Norton has no choice but to assign disgraced agent Jeff Kelley and a team of green academy trainees to unravel the most destructive foreign intelligence operation in United States history Before long the CIA NSA and MI6 are involved and Kelley and his team along with officials at the highest levels must scramble to disable foreign data centers and bring to justice an intricate web of conspirators at home and abroad Without sparking World War three and setting intelligence back fifty years For readers of Tom Clancy Alex Bernstein and John le Carr *Cable Ties* is a slow burn political thriller that reflects the realities of modern intelligence law enforcement
