raises many frightening questions Could Chinese transnational criminals and state actors targeting Canada s industrial and technological crown jewels have gained protection from the Mounties Could China and Iran have insight into Canada s deepest national security secrets and influence on investigations Ortis had oversight of many investigations into transnational money laundering networks and insight into sensitive probes of suspects seeking to undermine Canada s democracy and infiltrate the United States according to the evidence Cooper has found Wilful Blindness is a powerful narrative that follows the investigators who refused to go along with institutionalized negligence and corruption that enabled the Vancouver Model with Cooper drawing on extensive interviews with the whistle blowers thousands of pages of government and court documents obtained through legal applications and large caches of confidential material available exclusively to Cooper The book culminates with a shocking revelation showing how deeply Canada has been compromised and what needs to happen to get the nation back on track with its Five Eyes allies
