Meaningful Work Wes Adams, Tamara Myles, 2025-04-01 A timely clear and actionable book by Adam Grant that makes the powerful case that meaning at work drives employee well-being, high performance and even profit We're in the middle of the most significant transformation in work in over a century Whether it's remote work, the rise of burnout and quiet quitting or the changing values and priorities of employees, leading an organization has never been more complex But through all this, a single factor remains the core driver of fulfilled, high-performing teams: their belief that their work has meaning In *Meaningful Work*, Wes Adams and Tamara Myles advise some of the world's most successful companies to leverage the science of positive psychology to show leaders why and how to make meaning the cornerstone of leadership practice It is a

practical playbook based on decades of research including their own groundbreaking multi year study of meaning at work and stories from leaders you already admire and others that will surprise and inspire you The book reveals that high engagement happiness productivity and financial performance from employees are all outcomes of helping them find meaning at work And that every job can be meaningful when leaders create a workplace culture that focuses on the three Cs Community Contribution and Challenge Whether you lead a team of call center workers care professionals cycling instructors or corporate executives this book will show you how to take small actions each day to inspire passion and performance in every employee
