Translating New York Regina Galasso, 2018-06-14 Drawing from several genres *Translating New York* recovers cultural narratives occluded by single linguistic or national literary histories and proposes that reading these texts through the lens of translation unveils new pathways of cultural circulation and influence Galasso argues that contact with New York ignited a heightened sensitivity towards language garnering literary achievement and aesthetic innovation *Handbook of Sustainable Innovation* Frank Boons, Andrew McMeekin, 2019 The *Handbook of Sustainable Innovation* maps the multiple lineages of research and understanding that constitute academic work on how technological change relates to sustainable practices of production and consumption Leading academics contribute by mapping the general evolution of this academic field our understanding of sustainable innovation at the firm user and systems level the governance of sustainable innovation and the methodological approaches used The *Handbook* explores the distinctiveness of sustainable innovation and concludes with suggestions for generating future research avenues that exploit the current diversity of work while seeking increased systemic insight **Handbook of Research on Human Social Interaction in the Age of Mobile Devices** Xu,

Xiaoge, 2016-06-16 Digital innovations such as mobile technologies have had a significant impact on the way people relate to one another as well as the way they obtain and distribute information As mobile devices continue to evolve it has become easier to socialize however these mobile advancements have also made certain aspects of interaction more complex The *Handbook of Research on Human Social Interaction in the Age of Mobile Devices* features an interdisciplinary perspective on mobile innovations and the use of this technology in daily life Investigating the successes issues and challenges of the utilization of mobile technology this handbook of research is a comprehensive reference source for professionals educators policymakers and students interested in the impact these devices have on digital interaction media and communication

Emotion Measurement Herbert L. Meiselman, 2021-04-09 *Emotion Measurement Second Edition* highlights key elements of emotions that should be considered in the measurement of emotions in both academic and commercial environments This edition begins with an updated review of basic studies of emotion including the theory physiology and psychology of emotions as these are the foundational studies which food scientists as well as product developers and marketing professionals need to be aware of The second section highlights methods for studying emotions and reviews the different approaches to emotion measurement questionnaire self report behavioral and physiological This section explores the merits of intrinsic versus extrinsic measures of emotion Some new measurement approaches have emerged since the first edition of this book The book then presents practical applications with chapters on emotion research in food and beverage as well as in a range of products and clinical settings The experience in testing product emotions has increased since the first edition when product emotion research was newer Finally *Emotion Measurement Second Edition* provides coverage of cross cultural research on emotions This is critical because much of the newer commercial research is aimed at markets around

the world requiring methods that work in many cultures And the universality of emotions has been a topic of research for decades Taking both an academic and applied approach Emotion Measurement Second Edition will be an invaluable reference for those conducting basic academic research on emotions and for sensory and consumer scientists and the product developers and marketing professionals they work alongside Reviews both the academic and the applied strands of emotion measurement research Focuses on cross cultural studies of emotions which is currently lacking from most of the literature in the field Highlights methods for studying emotions in both basic and applied studies Mobile User Research Sunny Consolvo, Frank R. Bentley, Eric B. Hekler, Sayali S. Phatak, 2022-06-01 This book will give you a practical overview of several methods and approaches for designing mobile technologies and conducting mobile user research including how to understand behavior and evaluate how such technologies are being or may be used out in the world Each chapter includes case studies from our own work and highlights advantages limitations and very practical steps that should be taken to increase the validity of the studies you conduct and the data you collect This book is intended as a practical guide for conducting mobile research focused on the user and their experience We hope that the depth and breadth of case studies presented as well as specific best practices will help you to design the best technologies possible and choose appropriate methods to gather ethical reliable and generalizable data to explore the use of mobile technologies out in the world The Oxford Handbook of Polling and Survey Methods Lonna Rae Atkeson, R. Michael Alvarez, 2018-07-25 The methodologies used to study public opinion are now in flux The primary polling method of the last half century the telephone survey is rapidly becoming obsolete as a data collection method At the same time new methods of contacting potential respondents and obtaining their response are appearing providing a variety of options for scholars and practitioners Generally speaking we are moving from a polling world that was largely interviewer driven over the phone and face to face to predominantly interviewer driven self administered poll environments New methods of data collection however must still deal with fundamental questions to polling methodology and total survey error including sampling selection bias non response error poststratification weighting and questionnaire design features The Oxford Handbook on Polling and Survey Methods brings together a unique mixture of academics and practitioners from various backgrounds academic disciplines and experiences In some sense this is reflective of the interdisciplinary nature of the polling and survey industry polls and surveys are widely used in academia government and the private sector Designing implementing and analyzing high quality accurate and cost effective polls and surveys requires a combination of skills and methodological perspectives Despite the well publicized issues that have cropped up in recent political polling a great deal is known today about how to collect high quality polling and survey data even in complex and difficult environments Divided into four main sections the Handbook draws on the existing research and explores data collection methods It then addresses data analysis and the methods available for combining polling data with other types of data The next section covers analytic issues including the new approaches to

studying public opinion ie social media the analysis of open ended questions using text analytic tools and data imputation The final section focuses on the presentation of polling results an area where there is a great deal of innovation A comprehensive overview of the topic this volume highlights current polling trends provides ideas for the development of new and better approaches for measuring modeling and visualizing public opinion and social behavior *Effective Big Data Management and Opportunities for Implementation* Singh, Manoj Kumar,G., Dileep Kumar,2016-06-20 Big data has become a commonly used term to describe large scale and complex data sets which are difficult to manage and analyze using standard data management methodologies With applications across sectors and fields of study the implementation and possible uses of big data are limitless Effective Big Data Management and Opportunities for Implementation explores emerging research on the ever growing field of big data and facilitates further knowledge development on methods for handling and interpreting large data sets Providing multi disciplinary perspectives fueled by international research this publication is designed for use by data analysts IT professionals researchers and graduate level students interested in learning about the latest trends and concepts in big data **2015 Volkswagen Passat Owner Manual Compatible with OEM Owners Manual, Factory Glovebox Book** Helming,2015-04-12 Managing and Processing Big Data in Cloud Computing Kannan, Rajkumar,2016-01-07 Big data has presented a number of opportunities across industries With these opportunities come a number of challenges associated with handling analyzing and storing large data sets One solution to this challenge is cloud computing which supports a massive storage and computation facility in order to accommodate big data processing Managing and Processing Big Data in Cloud Computing explores the challenges of supporting big data processing and cloud based platforms as a proposed solution Emphasizing a number of crucial topics such as data analytics wireless networks mobile clouds and machine learning this publication meets the research needs of data analysts IT professionals researchers graduate students and educators in the areas of data science computer programming and IT development **Advances in Information Retrieval** Leif Azzopardi,Benno Stein,Norbert Fuhr,Philipp Mayr,Claudia Hauff,Djoerd Hiemstra,2019-04-06 This two volume set LNCS 11437 and 11438 constitutes the refereed proceedings of the 41st European Conference on IR Research ECIR 2019 held in Cologne Germany in April 2019 The 48 full papers presented together with 2 keynote papers 44 short papers 8 demonstration papers 8 invited CLEF papers 11 doctoral consortium papers 4 workshop papers and 4 tutorials were carefully reviewed and selected from 365 submissions They were organized in topical sections named Modeling Relations Classification and Search Recommender Systems Graphs Query Analytics Representation Reproducibility Systems Reproducibility Application Neural IR Cross Lingual IR QA and Conversational Search Topic Modeling Metrics Image IR Short Papers Demonstration Papers CLEF Organizers Lab Track Doctoral Consortium Papers Workshops and Tutorials Social Networks Science: Design, Implementation, Security, and Challenges Nilanjan Dey,Rosalina Babo,Amira S.
