McDonald III, Meagan M. Jordan, 2021-12-24 Many universities offer the Master of Public Administration MPA or other public affairs degree which includes at least one course in public budgeting or public financial management The faculty who teach these courses can however sometimes struggle to cover the breadth of material required and to fully engage students in what can be a technical subject Teaching Public Budgeting and Finance A Practical Guide addresses this challenge by sharing hands on classroom expertise from leading scholars and creative instructors in the field Drawing on their extensive experiences with teaching researching and engaging in service each contributor reflects on how their area of expertise can be taught most effectively providing a discussion of student learning outcomes pedagogical approaches relevant resources and appropriate course assignments While no one book can provide a final say on classroom instruction this first of its kind primer on teaching public budgeting and financial management courses is a detailed indispensable guide for all faculty looking to improve the learning experience of students in the classroom Teaching Public Budgeting and Finance A Practical Guide is required reading for early career faculty as they prepare to teach the course for what may be the first time as well as for more senior faculty looking to update their course complement their own teaching strengths or teaching the course for the first time in several years *America at War with Itself* Henry A. Giroux, 2016-08-22 From poisoned water and police violence in our cities to gun massacres and hate mongering on the presidential campaign trail evidence that America is at war with itself is everywhere around us The question is not whether or not it s happening but how to understand the forces at work in order to prevent conditions from getting worse Henry A Giroux offers a powerful far reaching critique of the economic interests cultural dimensions and political dynamics involved in the nation s shift toward increasingly abusive forms of power His analysis helps us to frame critical questions about what can and should be done to turn things around while we can Reflecting on a wide range of social issues Giroux contrasts Donald Trump s America with Sandra Bland s to understand who really benefits from politically fueled intolerance for immigrants communities of color Muslims low income families and those who challenge state and corporate power A passionate advocate for civil rights and the importance of the imagination Giroux argues that only through widespread social investment in democracy and education can the common good hope to prevail over the increasingly concentrated influence of extreme right wing politicians and self serving economic interests Praise for America at War with Itself This is the book Americans need to read now No one is better than Henry Giroux at analyzing the truly dangerous threats to our society He punctures our delusions and offers us a compelling and enlightened vision of a better way America at War with Itself is the best book of the year Bob Herbert Distinguished Senior Fellow at Demos and former Op Ed columnist

for the New York Times In this current era of corporate media misdirection and misinformation America at War with Itself is a must read for all Americans especially young people Henry Giroux is one of the few great political voices of today with powerful insight into the truth Dr Giroux is defiantly explaining against the grain what s REALLY going on right now and doing so quite undeniably Simply put the ideas he brings forth are a beacon that need to be seen and heard and understood in order for the world to progress Julian Casablancas In America at War with Itself Henry Giroux again proves himself one of North America s most clear sighted radical philosophers of education culture and politics radical because he discards the chaff of liberal critique and cuts to the root of the ills that are withering democracy Giroux also connects the dots of reckless greed corporate impunity poverty mass incarceration racism and the co opting of education to crush critical thinking and promote a culture that denigrates and even criminalizes civil society and the public good His latest work is the antidote to an alarming tide of toxic authoritarianism that threatens to engulf America The book could not be more timely Olivia Ward Toronto Star America at War with Itself makes the case for real ideological and structural change at a time when the need and stakes could not be greater Everyone who cares about the survival and revival of democracy needs to read this book Kenneth Saltman Professor University of Massachusetts Dartmouth Author of The Failure of Corporate School Reform Henry A Giroux s most recent books include The Violence of Organized Forgetting and America s Addiction to Terrorism A prolific writer and political commentator he has appeared in a wide range of media including the New York Times and Bill Moyers

Privacy and the American Constitution William C. Heffernan, 2016-11-14 This book explains a paradox in American constitutional law how a right not discussed during the ratification debates at Philadelphia and not mentioned in the text has become a core component of modern freedom Rather privacy is a constitutional afterthought that has gained force through modern interpretations of an old text Heffernan defends privacy rights against originalist objections to its inclusion in modern constitutional doctrine analyzes the structure of privacy claims and provides a blueprint for protecting privacy against government incursion The book will appeal to a wide audience of students and researchers of criminal procedure constitutional history law and society and sociology of law Lawyers will find this book extremely valuable in addressing the statutory issues associated with modern privacy law At last a book about constitutional interpretation that speaks plain English and makes sense It s the best work I know on the subject yet that subject is not the one it s mostly about The book mostly tells the story of the constitutional right to privacy and how it emerged from provisions that at the outset were not much about privacy at all On that subject the book is definitive It s also fascinating probing engaging insightful and wonderfully presented Privacy and the American Constitution is a stellar contribution to knowledge Albert W Alschuler Julius Kreeger of Law and Criminology Emeritus University of Chicago A powerful and innovate contribution to constitutional law Not only does Heffernan offer us a fascinating and persuasive account of how modern constitutional rights grew out of the personal space offered to us in an earlier era he also explains why privacy rights deserve the newfound importance they have

in our modern jurisprudence based upon the same Madisonian approach to constitutional interpretation that justifies other central parts of modern constitutional law Marc Jonathan Blitz Alan Joseph Bennett Professor of Law Oklahoma City University School of Law 14000 + Objective Questions - General Studies Manohar Pandey,2018-04-20 Arihant has come up with a revised edition of a compendium of over 14000 questions which will significantly improve the knowledge of aspiring students by providing them with ready and reliable practice material for General Studies The book has been designed for the aspirants preparing for IAS CSAT State PCS CDS NDA and other competitive examinations The revised edition of this question bank focuses on Indian History Culture India World Geography Env Eco Indian Polity Indian Economy General Science Science Technology General Knowledge and Current Affairs The book contains the collection of over 14000 questions covering General Studies The History section covers ancient medieval and modern history whereas the Geography section covers world geography Indian geography and environment ecology The General Science section covers Physics Chemistry Biology and Science Technology The questions covered in the book contain answers side by side to help aspirants evaluate themselves after attempting a certain number of questions Also the questions asked in recent years General Studies examinations have been provided in the book with authentic and detailed solutions to help aspirants get an insight into the recent examination pattern and the types of questions asked therein Each chapter in the book contains a variety of questions according to the latest pattern Assertion Reason Matching Multi Statements Arrangements Pairing etc Also more than 500 questions based on Current Affairs have been provided in the book to give an additional advantage to the aspirants As the book contains ample number of objective questions which have been designed for students of various competitive examinations it for sure will act as the best preparation material for general studies for UPSC CSAT State PCS CDS NDA etc

The Politics of Presidential Term Limits Alexander Baturo,Robert Elgie,2019-06-20 Presidential term limits restrict the maximum length of time that presidents can serve in office They stipulate the length of term the presidents can serve between elections and the number of terms that presidents are permitted to serve While comparative scholarship has long studied important institutions such presidentialism vs parliamentarism and the effects of different electoral systems we lack a comprehensive understanding of the role and effects of presidential term limits Yet presidential term limits and term lengths are one of the most fundamental institutions of democracy By ensuring compulsory rotation in office they are at the heart of a democratic dilemma What is the appropriate trade off between allowing the unrestricted selection of candidates at presidential elections vs restricting selection procedures to prevent the possibility of dictatorial takeover by presidents who are unwilling to step down In the context of a long and on going history of changes to presidential term limits and the many and varied ways in which term limits have been both applied and avoided this book explains the factors behind the introduction stability abolition and avoidance of presidential term limits as well as the consequences of changes to presidential term limits and it does so in the context of non democracies third wave countries and consolidated democracies

It includes comparative theoretical and practitioner oriented chapters as well as detailed country case studies of presidential term limits across the world and over time
