Christian Socialism Philip Turner, 2022-05-26 Christian Socialism arose in England in the mid nineteenth century as a response to the philosophy of political economy now commonly called neoliberalism Seeking not institutional change or nationalisation but a reform of the moral underpinnings of society it refuted the assumption that people are essentially selfish competitive individuals seeking nothing but personal happiness Although they did not deny the presence of selfishness its proponents believed that the social nature of humankind lies deeper than such egotism and conflict and pursued a society built on this belief Less prominent now than at the time of its inception Christian Socialism nevertheless continues into the twenty first century its goal nothing less than a new society built upon the virtues of equality fellowship cooperation service and justice Philip Turner's careful exposition traces the history of this strand of Anglican political thought and restores confidence in its message for the future *The Book of Enoch or I Enoch* Black, 2023-06-26 The Last Israelis Noah

Beck, 2013-05-06 Apocalyptic military fiction with a powerful message Iran has nukes Israel's leader is hospitalized History is now up to 35 Israelis Ethnically diverse Ideologically divided On a nuclear armed submarine WHAT CRITICS SAY Gripping chilling brings to mind *Crimson Tide* *The Hunt For Red October* and *U 571* You'll feel like you're on the sub with the world on the brink of disaster No matter what political side you're on it's a must read Don't start reading this novel if you have somewhere to be You'll probably miss your appointment Alan Zeitlin in NY *Blueprint* The novel paints a frightening picture of what the world could look like after Iran goes nuclear Most of the Armageddon thriller takes place aboard the Dolphin submarine Israel's second strike answer to the existential threat posed by a nuclear Iran The crew reflects the diversity of Israeli society There are descendants of Holocaust survivors native Arabic speakers one Christian and one Druze the son of Persian Jews who escaped from the Iranian revolution of 1979 an Ethiopian who crossed Sudan by foot as a child to reach Israel religious Jews the atheist son of a Soviet Refusenik a submariner who holds right wing views and another who secretly attends leftist rallies and a homosexual whose parents were Vietnamese refugees saved by Israel in 1977 How do all of these people get along during months away from home living in close quarters facing deadly threats at sea Their voyage has enough naval action and drama to rival the suspense of a Tom Clancy novel But the book also features riveting debates about war ethics geopolitics religion and the protection of minorities The author does an excellent job of giving voice to every political and philosophical perspective Karen Brown in *Israel Today* The book provides a picture of Israelis at work in one of

the most claustrophobic and intense environments in the world weeks at a time in a submerged submarine in hostile waters The novel is a great read on a subject as current as the headlines and poses a situation where none of the choices are good or easy Richard Baehr in American Thinker The story has enough page turning naval action to qualify as a military and geopolitical novel about a Middle East Armageddon but it also entertains as a psychological thriller The submarine space is a social experiment more intense and compelling than any reality show And the novel has a deeply philosophical element that provides all of the deliberative suspense of Twelve Angry Men Max Shaw in Israel National News MORE DETAILS In this gripping doomsday thriller ripped from the headlines Iran has threatened to destroy Israel while developing the nuclear capability to do so Struck by a medical emergency Israel's Prime Minister falls unconscious just as military action is needed to stop Iran's nukes History is now up to 35 Israelis aboard the Dolphin a powerful submarine armed with nuclear tipped ballistic missiles Ship unity is crucial to mission success but deep conflicts rise to the surface among crewmembers who are ethnically diverse and ideologically divided Tensions boil further from the rivalry between the captain and his deputy and a childhood tragedy that quietly haunts a younger sailor whose psychological wounds could explode at any time On their suspenseful voyage to Armageddon the submariners must confront each other and pulse pounding threats at sea before facing an unthinkable dilemma It will be the toughest decision of their lives and it will determine the fate of the Middle East

Song of Lawino & Song of Ocol Okot p'Bitek, 2013-01-31 During his lifetime Okot p'Bitek was concerned that African nations including his native Uganda be built on African and not European foundations Traditional African songs became a regular feature in his work including this pair of poems originally written in Acholi and translated into English Lawino's words in the first poem are not fancy but their creative patterns convey compelling images that reveal her dismay over encroaching Western traditions and her Westernized husband's behavior Ocol's poem underlines Lawino's points and confirms her view of him as a demeaning and arrogant person whose political energies and obsession with wasting time are destructive to his family and his community The gripping poems of Lawino and Ocol capture two opposing approaches to the cultural future of Africa at the time and paint a picture that belongs in every modern reader's cognitive gallery
