**New Syllabus Mathematics Workbook 3** Dr Joseph Yeo, Teh Keng Seng, Loh Cheng Yee, Ivy Chow, 2007-01-01 New Syllabus Mathematics Workbook Express is written in line with the new Singapore Cambridge GCE O Level Examination and the new initiatives of the Ministry of Education. The workbook consists of exercises which prepare students for their examinations. The more difficult questions are marked with an 'A' to encourage student-centred learning. The workbook includes non-routine types of worksheets that are classified under the section Alternative Assessment. These worksheets encourage students to learn independently through carefully guided steps and the use of IT. Students are motivated to investigate mathematical concepts with various methods and think critically so that they will understand and appreciate the concepts better. The teacher can gauge the students' learning by assessing the work with the scoring rubric found at the end of the relevant worksheets. The workbook is accompanied with a CD-ROM that contains templates to be used with some worksheets. It is hoped that with the use of various pedagogies, different types of students will be inspired to achieve success in mathematics.

**Olympiad Mathematics Workbook Class-10** Subhash Jain, 2023-10-01 The Mathematics Olympiad Workbook Class 10 has been written to help students prepare for the national and International Olympiad NTSE and for the examination conducted by the CBSE and other boards. Each Chapter starts with mind maps with a quick look summary including important formulae wherever applicable to help students recapitulate what they have learnt. All forms of questions covering different learning outcomes in multiple choice questions. It is important that the student go through them as they will help him or her to prepare for the examination better. After doing given exercise, students should attempt to answer the questions of self-evaluation test on their own and then check them against the given answers. This way they can evaluate their proficiency and subsequently work on their problem areas.
