**The Communist Road to Capitalism** Ralf Ruckus, 2021-07-27 The Communist Road to Capitalism explores how a dynamic of social struggles from below followed by countermeasures of the Chinese Communist Party CCP regime has pushed the historical evolution of the People s Republic of China PRC since 1949 Under socialism until the mid 1970s during the ensuing transition until the mid 1990s and in the capitalist period since the CCP regime responded to the struggles of workers peasants migrants and women with a mix of repression concession cooptation and reform Ralf Ruckus shows that this dynamic took the country into a new phase each time and eventually all the way from socialism to capitalism in the 1950s labor struggles and the Hundred Flowers Movement were followed by the regime s Great Leap Forward in the 1960s the Cultural Revolution led to the CCP s failed attempt to revitalize socialism in the 1970s social unrest

and movements for a democratic socialism made room for the regime's Reform and Opening policies in the late 1980s the Tiananmen Square uprising triggered more radical reforms in the 1990s peasant and state worker unrest could not stop the capitalist restructuring and in the 2000s migrant worker struggles led to concessions tightened repression and the regime's global capitalist expansion strategy in the 2010s The Communist Road to Capitalism breaks with established orthodoxies about the PRC's socialist successes and myths on its later rise as an economic power It combines a historiography of workers peasants migrants and women's struggles with a searing critique of exploitation authoritarian state power and gender discrimination under socialism and capitalism Drawing lessons from PRC history Ralf Ruckus finally outlines political aims and methods for the left that avoid past mistakes and allow to fight on for a society free of all forms of exploitation and oppression     **2005 Honda Service Manual PS250 Big Ruckus** ,2004     *Working Mother* ,2002-10 The magazine that helps career moms balance their personal and professional lives     **FBIS Report** ,1992     *American Book Publishing Record Cumulative, 1950-1977: Title index* R.R.
