Running Barefoot English Edition:

THE GOSPEL OF JOHN Original Version - Volume II translated by James David Audlin, 2014-02 The only narrative about Jesus by eyewitnesses this is also one of the world's greatest literary works The unfinished text was spirited off to Sinope when the author was sent into exile Even there the hand of Rome nearly destroyed it Rescued 35 years later the author's spiritual heirs published it While in Sinope some pages got lost or disordered After publication various editors changed the manuscript repeatedly to suit the changing doctrines of early Christianity even adding spurious new material Thus the standard text is an inspiring mess but still a mess This translation restores not the unfinished original text but the masterpiece the author sought to compose a first hand account of a real man sent to urge humanity to accept God's will set down before doctrine repackaged him as an incarnate deity Volume One contains the carefully restored text and a history of the gospel Volume Two includes commentaries that burnish this masterpiece for the modern reader *Complete Poems* D. H. Lawrence, 1994-01-01 This collection includes all the poems from the incomplete *Collected Poems* of 1929 and from the separate smaller volumes issued during Lawrence's lifetime uncollected poems an appendix of juvenilia and another containing variants and early drafts and all Lawrence's critical introductions to his poems It also includes full textual and explanatory notes For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators American Smoke Iain Sinclair, 2014-04-15 The visionary writer Iain Sinclair turns his sights to the Beat Generation in America in his most epic journey yet How best to describe Iain Sinclair asks Robert Macfarlane in *The Guardian* A literary mud larker and tip picker A Travelodge tramp his phrase A middle class dropout with a gift for bullshit also his phrase A toxicologist of the twenty first century landscape A historian of countercultures and occulted pasts An intemperate WALL E compulsively collecting and compacting the city's textual waste A psycho geographer from which term Sinclair has been rowing away ever since he helped launch it into the mainstream He's all of these and more Now for the first time the enigma that is Iain Sinclair lands on American shores for his long awaited engagement with the memory filled landscapes of the American Beats and their fellow travelers A book filled with bad journeys and fated decisions *American Smoke* is an epic walk in the footsteps of Malcolm Lowry Charles Olson Jack Kerouac William Burroughs Gary Snyder and others heated by obsession the Old West volcanoes Mexico and enlivened by false memories broken reports and strange adventures With *American Smoke* Sinclair confirms his place as the most innovative of our chroniclers of the contemporary
