Run Diet Guide For Hip Hop Abs:

T Is for Transformation Shaun T., 2017-11-07 As a fitness icon and motivational mastermind Shaun T has helped millions of people transform their bodies and their lives through his Hip Hop Abs INSANITY and CIZE workouts But people who think of Shaun T as just a workout force are missing something He has always focused on building inner strength first then moving to the exterior And that inner focus started in his own life He became the man and motivator he is today after escaping from the abuse he suffered as a child and fighting his way back from a 50 pound weight gain in his early 20s He knows firsthand that you can't drop weight or enjoy better health until you overcome the mental obstacles that cause bad choices in the first place In T is for Transformation Shaun T unveils the 7 transformational principles that guided his progress through life and that are at the core of his incredibly successful workouts T is for Transformation is a motivational master class as Shaun shows you how to become more flexible and resourceful give everything you've got and most importantly trust and believe in your path to success The only real obstacles in life are the mental ones and T is for Transformation can train you to achieve astonishing results in your own life just as Shaun T has in his

Health Freaks Travis A. Weisse, 2024-09-03 Travis A Weisse tells a new history of modern diets in America that goes beyond the familiar narrative of the nation's collective failure to lose weight By exploring how the popularity of diets grew alongside patients' frustrations with the limitations and failures of the American healthcare system in the face of chronic disease Weisse argues that millions of Americans sought fad diets such as the notorious Atkins program which ushered in the low carbohydrate craze to wrest control of their health from pessimistic doctors and lifelong pharmaceutical regimens Drawing on novel archival sources and a wide variety of popular media Weisse shows the lengths to which twentieth century American dieters went to heal themselves outside the borders of orthodox medicine and the subsequent political and scientific backlash they received Through colorful profiles of the leaders of four major diet movements Health Freaks demonstrates that these diet gurus weren't shady snake oil salesmen preying on the vulnerable rather they were vocal champions for millions of frustrated Americans seeking longer healthier lives
