Russound's Contractor Series loudspeakers are one of the most affordable high-quality speaker lines available, ideal for new home construction. Time proven with thousands of installations, they offer an ideal combination of value, quality, and reliability.

The Contractor Series has been redesigned for improved off-axis response. Most models feature pivoting tweeters for flexibility in placement.

Eight different models are available for all in-wall and in-ceiling applications, including stereo sound from a single speaker. Rough-in brackets for new construction and a swing-out clamp design simplify installation. Paintable frames and grilles allow easy coordination with any decor.
