The Conduct of Hostilities under the Law of International Armed Conflict Yoram Dinstein, 2016-04-04 Written by the leading commentator on the subject this is the seminal textbook on the law of international armed conflict Focusing on recent issues arising in the course of hostilities between States it explores the dividing line between lawful and unlawful combatants the meaning of war crimes and command responsibility the range of prohibited weapons the distinction between combatants and civilians the parameters of targeting and proportionality the loss of protection from attack including direct participation in hostilities and special protection granted pre eminently to the environment and to cultural property In a completely revised and updated text the author expertly covers the key principles and includes important new issues including the use of autonomous weapons and the complexities of urban warfare The subtleties and nuances of the international law of armed conflict are made accessible to the student and practitioner alike whilst retaining the academic rigour of previous editions

Roman Philosophy and the Good Life Raymond Angelo Belliotti, 2009-08-15 A practical people not prone to be lured to philosophical abstraction for its own sake the Romans looked toward philosophy for guidance on how to live Though wary of Greek philosophy the Romans would come to see the need for philosophies such as Stoicism Epicureanism Platonism and Aristotelianism to point the way to leading the good life With the help of these philosophies they attempted to grapple with some of most enduring concerns of the human condition Who am I How should I live my life What if anything is my destiny Raymond Angelo Belliotti's Roman Philosophy and the Good Life provides an accessible picture of these major philosophical influences in Rome and details the crucial role they played during times of major social upheaval Belliotti demonstrates the

contemporary relevance of some of the philosophical issues faced by the Romans and offers ways in which today's society can learn from the Romans in our attempt to create meaningful lives Roman Philosophy and the Good Life will certainly intrigue those who are drawn to Roman history and politics and especially those who enjoy viewing philosophy in action

Collections at Risk Claire Derriks, 2017-02-01 Conflicts and wars and more specifically the 2011 Revolution in Egypt have brought to light the worrying question of the preservation of the cultural heritage in the world The role of museums and international institutions have become ever more important in this respect Recognizing that cultural treasures can form the basis for education and economic prosperity the organizers devoted the 29th Annual Meeting of ICOM's International Committee for Egyptology CIPEG to the theme of Collections at Risk New Challenges in a New Environment The present volume contains several of the papers read during those sessions in Brussels in 2012 and gives a clear example of the multifarious paths that lay open to obtaining the objective of preserving the past for the future

The Arch of Titus Steven Fine, 2021-05-25 The Arch of Titus From Jerusalem to Rome and Back explores the shifting meanings and significance of the Arch of Titus from the Jewish War of 66-74 CE to the present for Romans Christians and especially for Jews Built by triumphant Romans this triumphal monument was preserved by medieval Christians lauded by modern visitors and dictators and imitated around the world The Arch of Titus has special significance for the once defeated Jews Its menorah is now the national symbol of modern Israel The Arch of Titus From Jerusalem to Rome and Back assembles an international array of scholars to explore the Arch in all of its complexity This volume celebrates an exhibition mounted at Yeshiva University Museum and is the final statement of the Yeshiva University Arch of Titus Project
