The PERT is not a test to pass or fail it's used to determine the best academic path toward college for students. It's important for students to take the PERT seriously even though it isn't graded to ensure they are placed in the most appropriate classes. The PERT is scored by section in a range of 50-150 with cut scores throughout so students will get three different scores. There are three or four tiers depending on the section of cut scores to determine what level students are currently at.
