*Phantom Shot* Mike Majerus, Jack Nesson, 2013-10-11 For more than half a century the JFK assassination has been shrouded in mystery Many have been blamed including the CIA the Secret Service Fidel Castro the Russians the mafia right wing extremists and Lyndon Johnson The true facts have been buried for decades beneath layers of distortions and misinformation The solution to the assassination has always been right under our noses hidden in plain sight The key lies in the number of shots fired The two official U S government investigations came to different conclusions on this issue and both got it wrong In the fog of war the press got it wrong too beginning with the first bulletin sent out over the wires just minutes after the shooting A consensus groupthink soon emerged that did not reflect what really happened in Dallas Nonstop reporting of inaccurate information actually caused witnesses to change their stories about what they really saw and heard that day *Phantom Shot* analyzes the statements of key eyewitnesses some of which were recorded just minutes after the shooting before groupthink set in Many of these witnesses were ignored by the government investigations Their statements unravel the mystery of the assassination once and for all *Phantom Shot* answers these questions and many more How many shots were really fired Was there a shot from the grassy knoll Was Oswald the sole assassin Was he part of a conspiracy Was Jack Ruby sent by the mob to silence him Did J Edgar Hoover and others in the FBI know the solution to the assassination in 1964 and cover it up Why did the Warren Commission ignore the statements of key eyewitnesses

**The Assassination of JFK** Robert A. Wagner, 2017-03-07 The Assassination of JFK Perspectives Half a Century Later is the result of a reconciliation of widely divergent views of the assassination and who was responsible For more than fifty years the JFK assassination has ignited impassioned argument from those who believe the Warren Commission's conclusion that one man Lee Harvey Oswald acted alone in killing President John F Kennedy and those who believe that the assassination was spearheaded by the KGB Castro the mob anti Castro revolutionaries the military complex the CIA or even Kennedy's successor Lyndon Baines Johnson to name only a few The conspiracy theories are almost too numerous to list and even include the fervent belief that Kennedy's body was stolen prior to autopsy on the very evening of the assassination for the purpose of doctoring the body to frame Oswald Bob Wagner digs into the enormous record of the assassination created by two government investigations and thousands of books and articles written by investigators researchers and historians Bob describes the divergent views as being akin to two groups dividing the pieces of a jigsaw puzzle in half and attempting to produce complete pictures with their incomplete pieces Once all the puzzle pieces are organized and properly fit together however as Bob's painstaking work shows a real picture emerges and the truth comes into focus Bob thoroughly reviews the head spinning morass of fact conjecture and conspiracy theories regarding the assassination of JFK and makes them understandable to those knowing little about the assassination much less all of the conspiracy theories that abound The Assassination of JFK Perspectives Half a Century Later presents the clearest case against Arlen Specter's infamous single bullet theory while also demonstrating

why it is clear that Lee Harvey Oswald fired the only shots in Dealey Plaza on November 22 1963 Visit

**In the Eye of History** William Matson Law, Allan Eaglesham, 2004-01-01 Several years ago William Matson Law set out on a personal quest to reach an understanding of the circumstances underpinning the assassination of John F Kennedy His investigation began with a key component of the events of November 22 1963 and the days that followed the autopsy on the president's body at the National Naval Medical Center Bethesda Maryland He contacted those who were involved at Bethesda in various aspects of the aftermath of the assassination In the Eye of History Disclosures in the JFK Assassination Medical Evidence comprises conversations with eight individuals who agreed to talk For the first time these eyewitnesses relate their stories comprehensively in their own words Law allows them to tell it as they remember it without attempting to fit any pro or anti conspiracy agenda The reader is the judge of these eyewitness accounts and their implications Dennis David describes observing the arrival at Bethesda Naval Hospital of the navy ambulance carrying Jackie Kennedy with the official casket purportedly carrying the president's body some time after he had supervised the unloading of a shipping casket that he'd been told contained the body of the president A few days after the assassination David describes seeing a secret movie film of the Kennedy autopsy that showed an entry wound in the forehead inconsistent with the official scenario of a lone gunman shooting from behind Autopsy technician Paul O Connor helped remove the president's body he recalls that it was in a body bag from a shipping casket this contrasts with the placement of the president's body in an ornate casket in Dallas after wrapping only in sheets and towels O Connor's associate James Jenkins emerged from the autopsy convinced that the president had been shot from two directions X ray technician Jerrol Custer recalled seeing Mrs Kennedy enter the Naval Hospital having just arrived with her husband's body yet Custer was on his way to the darkroom to develop X ray plates already taken of the president's corpse Ex FBI Special Agents James Sibert and Frances O'Neill pour scorn on the single bullet theory the sine qua non of the Warren Report yet are reluctant to conclude that more than one sniper was involved Harold Rydberg describes how he illustrated the president's wounds solely from verbal descriptions and provides first hand impressions of the personalities of the autopsy doctors Sandra Spencer compares and contrasts the extant photographs from the Kennedy autopsy with those that she developed the differences are startling And there is discussion of new information on the 1966 death of William Pitzer in whose possession Dennis David claims to have seen the secret movie of the Kennedy autopsy In his foreword Dr David W Mantik states For anyone who wants a first hand look at that long ago night this is as close as we can now get

Praise from a Future Generation John Kelin, 2007

Finely written and meticulously documented this book describes how very early on a small group of ordinary citizens began extraordinary efforts to demonstrate that the JFK assassination could not have happened the way the government said it did. In time their efforts had an enormous impact on public opinion but this account concentrates on the months before the controversy caught fire when people with skeptical viewpoints still saw themselves as lone voices. Material seldom seen by the public includes a suppressed photograph of the grassy knoll, an unpublished 1964 interview with an eyewitness, the earliest mention of the magic bullet and an analysis of the commotion surrounding New Orleans district attorney Jim Garrison's charge that anti-Castro CIA operatives were involved. *The John F. Kennedy Assassination* Stuart A.

Kallen, 2009-05-01 This book offers step by step explanations of the scientific processes used to collect and examine evidence in the investigation into the assassination of John F. Kennedy. Students will be fascinated by how the tiniest bit of evidence can be used to solve the most puzzling mysteries. Includes sidebars containing first person accounts of that fateful day in Dallas. A fact versus fiction section helps students focus on salient details. **JFK** Matthew Smith, 1992 The assassination of President John F. Kennedy on 22 November 1963 remains one of the greatest mysteries of the twentieth century. At the centre of the puzzle stands the enigmatic figure of Lee Harvey Oswald who was himself killed by Jack Ruby only days after Kennedy's death. Few people today believe the official explanation that Oswald was the sole assassin. Eyewitness accounts, film shot at the time and acoustic, medical and photographic evidence all point to a second gunman and a second gunman points to the most feared scenario: a conspiracy. But despite many theories involving the Mafia, the Russians and the CIA, no one has yet come up with a convincing explanation of Oswald's precise role in the President's murder. After 30 years of research, Matthew Smith has uncovered the second plot, the plot in which Oswald's true role in the assassination is exposed and the unmasking of a second plot leads naturally to the first. In this extraordinary and important book we learn for the first time who Oswald really was, who he was working for and what his true role was in the macabre enterprise. In *JFK: The Second Plot* the machinations behind Kennedy's assassination are exposed for all to see. Book jacket
