Leithy, 2016-09-13 Passing the PgMP Exam A Study Guide is developed to help you in passing the Program Management Professional Certification PgMP r Exam the first time. The book is created based on the The Standard for Program Management Third Edition which was PMI certified in 2013. Throughout this book it will be referred to as the Standard Guide. This book adopts all PMI publications related to the Portfolio Management that were created before the publication date of

this edition This book is complementary to the Standard Guide it describes many tips helps you to remember many important standards and provides you with a sense of the exam By presenting a strong and proven study plan that aids with the remembering and understanding of the core concepts and by providing the examinees with exam tips and tricks that help them grow a sense of what the exam is testing for Passing the PgMP r Exam A Study Guide paves the road for candidates to succeed in their examinations This book has unique figures to visualize the program management domains and their relation with the program life cycle Another unique feature of the book is that it has many tips and two set of exams 170 questions each with enough explanation for finding the right answer This technique makes you more ready for the exam and more acquainted with the expected tricks This book is different from others as it is the first to be created by an author who passed the PfMP r PgMP r and PMP r Exams so this author knows how to pass the different exams from the PMI the first time This book is different from the others as it contains two sets of the complete exam Thus it reflects the flavor of the questions that you are going to see on the exam Besides it covers different examples of each type of the commonly found questions on the PgMP r Exam model including the regular question table question and question set As a program manager your practical experience will help you a lot to pass the exam and it is a critical success factor of your readiness to the exam However in this book you will find a major support to orient you to the examination philosophy that you will face In some book sections there is a written notice labeled as Pragmatic Tips where you find additional pragmatic hints grown up from the long practical experience related to the same subject PMP PgMP and PfMP are registered trademarks by PMI This book is not related to PMI or licensed by PMI The Second Edition offers some enhancements to further increase the candidate s readiness for the exam The title of The Fourth Edition was changed from Passing the PgMP r Exam the First Time to Passing the PgMP r Exam A Study Guide The book gives you an opportunity to test yourself by having the exam questions listed all together so you can pass through them as if you are in the exam On the other hand it gives the opportunity to review the exam results or study by having the question followed by its answer for the full exam in another separate section If you need to test yourself or study a particular Domain you can still get the same questions listed in Exam 1 and Exam 2 ordered by Domain name in Appendix A This book consists of three parts Part 1 Study Tips and Exam Solving Techniques Part 2 Exam 1 170 Question Part 3 Exam 2 170 Question Another unique feature of the book is that it has charts for each domain in order to highlight the domain tips elaborate the meanings behind and connect each domain to the program life cycle phases Therefore each chapter has the following charts The Domain itself Domain major artifacts Domain major activities Domain interaction with the Program Life Cycle Please note that each question answer has the following Answer choice Standard Guide Reference Clarification and Tips Domain Phase or Activity Life Cycle Management Phase or Management Supporting Processes

Program Management Professional (PgMP) Handbook Anand Vijayakumar, 2020-07-15 Deliver Exceptional Business Value aligned to Organizational Strategy through structured program management and stand out from

the crowd by attaining the elite PgMP credential Programs are vehicles for organizations to realize their strategic objectives and goals As the industry shifts from just delivery of projects and programs to a more value driven and benefits oriented model program management acts as a key piece in the puzzle that allows organizations to extract the most business value benefits from a group of related initiatives that are managed as one program The biggest reason why strategic programs fail is due to the strategy execution gap where the people executing the strategy don't understand Why we are doing this or Where we are going with this The Program Manager is a key role that bridges this strategy execution gap who leads the program towards success by keeping the team focused on the end goals that are aligned to the organizational strategy and direction This book will help you Understand the program management performance domains as per the Standard for Program Management by PMI Overcome commonly faced challenges as a program manager and successfully deliver benefits and business value Support your organization's pursuit of strategic objectives and goals through effective program management Understand the PgMP exam syllabus contents easily with pictures charts and examples to aid learning Submit the PgMP Application as well as prepare for the PgMP exam Learn Tips Tricks that will help you take the PgMP exam with confidence The demand for competent program managers who can help organizations achieve their strategic objectives is growing and holding the PMI PgMP credential helps you demonstrate strong subject matter knowledge expertise in this area and become an invaluable asset to any organization PMP Exam Practice Test and Study Guide J. LeRoy Ward, Ginger Levin, 2016-04-19 PMP Exam Practice Test and Study Guide Ninth Edition uses self study to help readers increase their chances of passing the PMP certification exam the first time This spiral bound edition includes 40 multiple choice practice questions in each of the ten knowledge areas and in the professional and social responsibilities domain It presents **The Sensible Guide to Program Management Professional (PgMP)® Success** Te Wu, 2021-07-27 A Sensible Guide to Program Management Professional PgMP Success is for program managers preparing to take the PgMP exam based on The Standard for Program Management 4th Edition PgM4 Standard It is designed for busy professionals whose responsibilities have taken them into the realm of coordinating facilitating managing and leading programs Program managers are leaders who are directly managing large amounts of project resources for their organizations This study guide addresses three main concerns facing PgMP exam candidates What are the essential concepts processes and tools that form the foundation of today's program management Since program management is still an emerging profession with professionals often working in different ways what does this mean for a standard exam More specifically how does that impact your ability to pass the PgMP exam What is the best way to prepare for the PgMP exam To address the first concern this book highlights the underlying rationale for program management why it exists in organizations why it is becoming ever more important what programs are especially for the purpose of passing the exam how to think like a portfolio manager and what the most important concepts processes and tools are for this profession By simplifying complex ideas and communicating them in plain English with

relevant examples this book aims to help readers not only to pass the PgMP exam but also to serve as an essential guide for program managers For the second concern this book differs from other study guides by describing the author's personal experience as a program manager and addressing the most pressing questions for each of the performance domains in The Standard for Program Management To address the last concern this book contains 420 practice questions access to an online exam simulator and an online PgMP community and a time tested approach for passing the PgMP exam

Preparing for Pgmp(r) Exam Study Guide, 3rd Edition Ilango Vasudevan, 2018-07-16 I passed the PgMP exam like the way you want to do few years back At that time appearing for PgMP exam was considered as a challenge because there were not many good study guides Having passed the exam I thought it is my responsibility to demystify that feeling for my fellow professionals The first thought of writing this book came to my mind in the exam hall when I had completed around 20 questions The exam was a logical one and if one has the right experience the missing piece was just a good guide So this book Why I would recommend this book for you The Standard for Program Management is a well written book from a knowledge perspective but not for exam preparation This guide helps you focus on how to prepare for the exam by specifically focusing on areas like best thing to do in the given exam scenario next thing to do what went wrong understanding program scenarios where a particular process belongs to and set of scenarios you have to be familiar with This guide is written as a substitute to read the standard but for passing the exam The guide is written in a style that will help you understand the standard from exam point of view If you prepare well with this guide and attempt few good exam question practice I recommend few in PMI website then I can confidentially say that you are prepared to pass the exam All the very best
