

**“There are some other considerations
that I haven’t talked about.”**

Directions: Read the short story and select *one* character. Describe the story, focusing on specific events. Analyze the character's appearance as a literary character. Explain the significance of your analysis. Your analysis should be at least 100 words.

† The average growth rate is a crude approximation for the rate of change of output. When the growth rate is negative, the average rate of change is negative.

12. *What conclusions can you draw from the above analysis for the design of a new system? Do you agree with the conclusions? Do you have any recommendations? Do you have any other comments? Do you have any other questions? Do you have any other comments? Do you have any other questions?*

8. **State what strength and thought/idea you're developing together and create a feedback loop for that.** (How do you know you're making what you're thinking? The challenge of social learning is to get that "I know" and to "know" something that is "known" by others. It's not a simple task.)

8. Revised the paragraph beginning with "The corporation shall..." to read: "The corporation shall..."
