Too Scot to Hold Caroline Lee,2025-03-27 The battle to determine the next laird comes down to this fierce moment the Oliphant brothers sitting around drinking ale while their wives go into labor After finishing his studies to become a doctor Graham followed the woman he loved to Oliphant Castle and discovered among other things that he was not the fatherless family less bastard he d always assumed Well he was still a bastard but now he was an Oliphant bastard he had father who loved him and six brother who cared as fiercely as they fought He d found a home And he might ve been happy had Davina MacKinnon been allowed to share it with him But her grandfather has never seen him as good enough for her or the future of the MacKinnon clan and despite her sister s marriage to one of Graham s brothers Davina was dragged away But now she s returned to be with her sister during her confinement and Graham being a medical man has been called back to Oliphant Castle as well to help with all the bairns about to be born Whichever Oliphant wife births the laird s first grandson will ensure her husband becomes the next laird so the stakes are high But none so high as Graham and Davina s Between the bairns popping out left and right seriously this is getting ridiculous they ve got to find a way to convince her grandfather they deserve to be together Luckily there s a way to distract the old man and the Ghostly Drummer of Oliphant Castle might just make a comeback Warning Contains anachronistic medical knowledge rather a lot of madcap hijinks a few really naughty bits and more laugh out loud moments than you can shake a stick at were you the kind to shake sticks at things Check out the grand finale to this hilariously sexy series everyone s talking about

Bone-Setter: A Testimony and a Vindication George Matthews Bennett, 2021-05-19 In The Art of the Bone Setter A Testimony and a Vindication George Matthews Bennett skillfully weaves together personal testimony and medical insight illuminating the oft overlooked practice of bone setting as a vital form of healing With an eloquent literary style that balances clinical detail with evocative narrative Bennett establishes a compelling argument for the legitimacy and necessity of

traditional bone setting within the wider medical community His exploration of physical trauma and the healing arts is set against a backdrop of both admiration and skepticism faced by practitioners providing a rich literary context that scrutinizes the intersection of science and tradition in the healing professions Bennett a practitioner of bone setting himself offers unique insights drawn from decades of experience in this ancient craft His journey through controversial terrain positions him as both an advocate and a defender of the art making his insights deeply personal yet universally relevant This duality of perspective enriches the text allowing readers to appreciate the complexities of alternative healing practices while also recognizing the socio cultural factors influencing their acceptance For readers interested in the dynamics of traditional medicine as well as those drawn to narratives that challenge the prevailing medical establishment Bennett s work is a must read The Art of the Bone Setter not only invites contemplation of healing methods but also calls for a broader recognition of their place in contemporary society
