SEC Docket United States. Securities and Exchange Commission, 2011 **Optical Engineering**, 1993 Publishes papers reporting on research and development in optical science and engineering and the practical applications of known optical science engineering and technology **The First European Seminar on Computerised Axial Tomography in Clinical Practice** G.H. DuBoulay, I.F. Moseley, 2012-12-06 The publication of proceedings of conferences has often been so delayed that they are useless both to active workers in the field and for currently appropriate teaching Rapid publication on the other hand may impose very difficult conditions upon authors and demand unwelcome sacrifices We wish to thank the many speakers at ESCAT for their co operation in providing manuscripts and to apologise to those unable for reasons beyond their control to fall in with the rigorous editorial policy To get this book out at the earliest possible moment we have also cut the normal consultation between editors and authors to a minimum One decision made in the interests of uniformity was to replace the various terms used by different writers by one C A T consistent with the title of the Seminar of which the book is a record The organisers of ESCAT decided upon a largely didactic meeting with as little overlap as was practicable between contributions and a determined attempt to view computerised axial tomography in the light of its clinical usefulness As consequence the purpose of this book is to provide a comprehensive introduction to the whole field for clinicians as well as
