Laurie Essig,2019-02-12 The notion of happily ever after has been ingrained in many of us since childhood meet someone date have the big white wedding and enjoy your well deserved future But why do we buy into this idea Is love really all we need Author Laurie Essig invites us to flip this concept of romance on its head and see it for what it really is an ideology that we desperately cling to as a way to cope with the fact that we believe we cannot control or affect the societal economic and political structures around us From climate change to nuclear war white nationalism to the worship of wealth and conspicuous consumption as the future becomes seemingly less secure Americans turn away from the public sphere and find shelter in the private Essig argues that when we do this we allow romance to blind us to the real work that needs to be done building global movements that inspire a change in government policies to address economic and social inequality Original Love Des Cummings,2001 Join Dr Cummings as he unfolds God's love drama in the life stories of Old Testament heroes His focus provides fresh biblical light on the original day God made for love Mary Lou shares
