Children's Games in the New Media Age Chris Richards, Andrew Burn, 2016-05-23 The result of a unique research project exploring the relationship between children's vernacular play cultures and their media based play this collection challenges two popular misconceptions about children's play that it is depleted or even dying out and that it is threatened by contemporary media such as television and computer games A key element in the research was the digitization and analysis of Iona and Peter Opie's sound recordings of children's playground and street games from the 1970s and 1980s This framed and enabled the research team's studies both of the Opies' documents of mid twentieth century play culture and through a two year ethnographic study of play and games in two primary school playgrounds contemporary children's play cultures In addition the research included the use of a prototype computer game to capture playground games and the making of a documentary film Drawing on this extraordinary data set the volume poses three questions What do these hitherto unseen sources reveal about the games songs and rhymes the Opies and others collected in the mid twentieth century What has happened to these vernacular forms How are the forms of vernacular play that are transmitted in playgrounds homes and streets transfigured in the new media age In addressing these questions the contributors reflect on

the changing face of childhood in the twenty first century in relation to questions of gender and power and with attention to the children s own participation in producing the ethnographic record of their lives

Children and Families in Communities Jacqueline Barnes,Ilan

Barry Katz, Jill E. Korbin, Margaret O'Brien, 2006-05-01 In the past decade the relationship between communities children and families has inspired a wealth of research and policy initiatives because of a growing belief that the breakdown of families and communities is a significant factor in social problems including child abuse and juvenile crime The latest policy initiatives to tackle social problems have therefore targeted communities as well as high risk families This title amalgamates the latest research on the relationship between children families and communities and explores policy and practice implications Material for practitioners and community development workers is also included The book is divided into three parts 1 theory 2 the effect of community on children parents and families 3 interventions and policy implications
