The Truth About Heroin Philip Wolny, 2013-12-15 There is currently a heroin epidemic afflicting North America and it is not confined only to urban areas or to older seasoned drug addicts The latest epidemic has swamped suburban and rural areas and drawn many teens into its deadly wake The drug can take over the lives of even first time or casual users Addiction makes slaves of heroin users and often leads to a life of sickness crime and regret Addicts risk sacrificing everything they cherish in their lives for the drug receiving jail time for drug related offenses and losing their own lives in the process Discovering how the drug destroys the brain and body of a user and how addiction devastates the lives it touches can help one make the decision to avoid heroin at all costs That is exactly what the information presented here achieves readers will come away shaken with a new and stark understanding of heroin s true toxicity and its utterly false and destructive allure

Amy Winehouse 1983 - 2011 ,2011-08-04 Amy Winehouse s recent death has made the news the world over and despite her much publicised battle with drink and drugs her passing has left the music world in a state of true shock At just 27 years of age she sadly joins a list of greats that died before their time including Janis Joplin Kurt Cobain and Jim Morrison As fans gathered outside her Camden house at the weekend to pay tribute to the singer her icon music soared to the top of the charts not only in the UK but the USA and around the world Never far from the headlines stories about her tumultuous personal life wild parties and controversial drug abuse regularly featured in the newspapers But 2011 was supposed to be the comeback for the troubled singer and she looked to be on her way last Wednesday when she appeared alongside her God daughter Dionne Bromfield An award winning singer Amy Winehouse had won a host of accolades including two prestigious Ivor Novellos and an outstanding 5 Grammys in 2008 Blending different music styles including jazz pop and soul Amy had an army of fans committed to her unique approach to life This remarkably well researched biography traces the turbulent life of the tattooed wonder from her childhood pranks through stage school and early music to the global legend she will be remembered as
