The Game of School Robert L. Fried, 2005-04-13 Students play it teachers perpetuate it parents condone it principals endorse it and governments legislate it The game of school is that familiar scenario where students natural curiosity and desire to learn are replaced with a frantic rush or a compliant shrug to do the work please the teacher and get the grades This game is easy to master but exerts a high price Can we afford to pay the price in wasted time and idle minds In this compelling book Robert L Fried shows how we can change the rules of the game reclaim and refocus the learning experience and ultimately bring joy back into the classroom The Game of School is filled with interviews and stories of teachers and students who are struggling to put the game of school behind them and engage in authentic learning We experience the excitement of the first day of first grade listen to urban teens discuss Shakespeare s Othello and meet a college student who is beginning to question her long disengagement with learning We are introduced to seven types of learners from go getters to pluggers to rebels and find out how the game shapes their relationship to schooling and life The Game of School offers workable solutions that take into account the reality of a culture consumed with testing accountability and the race for college Fried redefines our common ideas of discipline curriculum instruction grading motivation and family involvement in ways that enhance true learning and diminish the game s stranglehold on our curiosity and will He argues

that classrooms are more easily managed in a climate of mutual respect and students are eager for instruction when it is challenging and engaging His Joy and Misery Index serves to remind teachers of what really matters most in the classroom Thoughtful and inspiring The Game of School offers suggestions and ideas for teachers parents and students who want to free themselves from the ever tightening grip of a game in which even winners end up losing Basektball Tryouts Kris Treat,1996* **From Tryouts to Championships** Herman Wolfe,1964 *Step by Step Basketball Skills* Joe Whelton,Richard Taylor,1988 *Youth Basketball Drills 2nd Edition* Burrall Paye,2013 **Full Court Press** Rachel Stuckey,2015-08-22 Discusses basketball basics including ball handling passing rebounding team positions and sportsmanship
