Run Son Run Volume 1:

The Reader's Holy Bible Volume 1: The Covenant History Devoted Friends of God, 2017-07-16 Read the Holy Bible like a novel not like a textbook This version of the Holy Bible capitalizes on a new presentation style that has become more popular over the last few years and one that is closer to the original version than most current ones We've dispensed with chapter and verse numbers they weren't added until the 1200s and 1500s respectively and we've put books that were split apart because they wouldn't fit on a single scroll e.g. Ezra and Nehemiah back into single books We've also rearranged some of the books so they follow a more logical timeline and progression We keep books with the same audience or author or same theme or timeline together This makes it more cohesive for you to read We've used the World English Bible a readable translation that allows you to traverse the whole of God's word in thoroughly modern language We hope you enjoy reading this new version of the Holy Bible and may Yahweh bless you *Running Wild Novella Anthology Volume 9 Book 1* Krista Beucler, James Cato, Henry Whittlesey, Izaskun Gracia Quintana, Eric St. Pierre, Joel T Blackstock, Jr., David Vonderheide, 2026-01-12 **EDGE** On parent teacher conference day in an urban context of regular kidnappings and violence a boy learns that his estranged but kind hearted father has returned and would like to meet him secretly after school The anxious boy has been warned about this possibility When his teacher hears about the father's plan it prompts her to hide the boy in her classroom The boy's father searches for his son at dismissal and then goes to the principal Together they head to the teacher's classroom **THE KITE FLYER AT CHIMERA ISLAND** is a magical realism tale of two brothers who have been banished to a prison island to collect a mysterious substance called the Light Memory myth and the powerful binding force of family come together in this dark yet touching story **THE NECROMANCER** It's Valentine's Day and Silver Nightbrace's parents are coming to dinner expecting to meet the suitor Silver has dutifully told them of in her letters home Unfortunately Silver doesn't actually have a suitor On her break at the apothecary where she works as a barista she decides to raise a boyfriend from the dead Necromancy can't be that hard right **TESTIMONIES AFTER THE FIRE** In a town governed by customs and not spoken laws that go back centuries numerous testimonies narrate a vile act taken place against one of the residents and the terribly violent and tragic response that more than teaching a lesson destroys the resident's life forever Crossing the limits of reality and fiction this choral narration is born as a scathing metaphor of freedom and coexistence where nothing or nobody is what it seems and where the truth has as many faces as voices claim to possess it **THE SPIDER AND THE BIRDHOUSE** The author wrote *The Spider and the Birdhouse* sleepily not knowing what I was dreaming I found it years later and understood it having realized the dream **THINGS UNRECKONED** When an ice mining transport in the outer reaches of the known universe stumbles across another ship of its same kind they detect abnormal patterns in the temperature and humidity measurements that might indicate a living organism on the abandoned vessel Strange this other transport had been lost decades ago and all crew were presumed deceased When strange patterns begin to manifest on their

own ship affecting the very fabric of all things great and small a living nightmare about forces not understood by humankind unfolds

Sermons on the Canticle of Canticles: Volumes 1 & 2 Saint Bernard of Clairvaux, Aeterna Press, So far as I am aware this is the first attempt on the part of a Catholic to render St Bernard's famous Discourses on the Canticle of Canticles available for English readers It is passing strange that it should be so passing strange that the most important work perhaps of him who has been called by excellence the Doctor of Love and the Prince of Mystics should be so neglected But the Sermons on the Canticle are not singular in this respect The same neglect has been extended to practically all the writings of the Melliduous Doctor with great loss to spirituality Aeterna Press
