Lutzkanova-Vassileva,2016-06-30 This book challenges the belief in the purely linguistic nature of contemporary poetry and offers an interpretation of late twentieth century Russian poetry as a testimony to the unforeseen annulment of communist reality and its overnight displacement by a completely unfathomable post totalitarian order Albena Lutzkanova Vassileva argues that because of the sudden invalidation of a reality that had been largely seen as unattained and everlasting this shift remained secluded from the mind and totally resistant to cognition thus causing a collectively traumatic psychological experience The book proceeds by inquiring into a school of contemporary American poetry that has been likewise read as cut off from reality Executing a comparative analysis Vassileva advances a new understanding of this poetry as a testimony to the overwhelming and traumatic impact of contemporary media which have assailed the mind with far more signals than it can register digest and furnish with semantic weight **Blind Man's Bluff** Sherry Sontag,Christopher Drew,2008-03-04 A New York Times bestseller The secret history of America s submarine warfare is revealed for the first time in this vividly told impressively documented The New York Times and fast paced chronicle of adventure and intrigue during the Cold War For decades only a select and powerful few knew the truth about the submarines that silently roamed the ocean in danger and in stealth seeking information and advantage Based on six years of groundbreaking investigation into the silent service Blind Man s Bluff uncovers an epic story of adventure courage victory and disaster beneath the surface With an unforgettable array of characters from the Cold War to the twenty first century Sontag and Drew recount scenes of secrecy from Washington DC to the depths of the sea A magnificent achievement in investigative reporting Blind Man s Bluff reads like a spy thriller with one important difference everything is true **The Russian Review** Leo Pasvolsky,1916 **Typewriter Topics** ,1909 **Scope of Soviet Activity in the U.S.** United States. saga replete with telephone taps kidnappings and police surveillance centres on the furtive escapades of Tyler Kent a handsome womanising 28 year old Ivy League graduate who doubles as a US Embassy code clerk and Soviet agent Against the backdrop of London high society during the so called Phoney War Kent s life intersects with the lives of the book s two other memorably flamboyant protagonists One of those is Maxwell Knight an urbane endearingly eccentric MI5 spyhunter The other is Anna Wolkoff a White Russian fashion designer and Nazi spy whose outfits are worn by the Duchess of Windsor and whose parents are friends of the British royal family Wolkoff belongs to a fascist secret society called the Right Club which aims to overthrow the British government Her romantic entanglement with Tyler Kent gives her access to a secret correspondence between President Roosevelt and Winston Churchill a correspondence that has the potential to transform the outcome of the war
