# Scots In Canada

**Douglas Hill**

## Scots In Canada:

**Scots in Canada** Jenni Calder, 2013-11-15 In Canada there are nearly as many descendants of Scots as there are people living in Scotland almost 5 million Canadians ticked the Scottish origin box in the most recent Canadian Census Many Scottish families have friends or relatives in Canada Who left Scotland Why did they leave What did they do when they got there What was their impact on the developing nation Thousands of Scots were forced from their homeland while others chose to leave seeking a better life As individuals families and communities they braved the wild Atlantic Ocean many crossing in cramped under rationed ships unprepared for the fierce Canadian winter And yet Scots went on to lay railroads found banks and exploit the fur trade and helped form the political infrastructure of modern day Canada This book follows the pioneers west from Nova Scotia to the prairie frontier and on to the Pacific coast It examines the reasons why so many Scots left their land and families The legacy of centuries of trade and communication still binds the two countries and Scottish Canadians keep alive the traditions that crossed the Atlantic with their ancestors REVIEW meticulously researched and fluently written it neatly charts the rise of a country without succumbing to sentimental myths SCOTLAND ON SUNDAY

The Scots in Canada J. M. Bumsted, 1982      **Scots in Canada** John Murray Gibbon, 1911      *The Scots to Canada* Douglas Hill, 1972      *Scots in the USA and Canada, 1825-1875* David Dobson, 1998 Although it is difficult to estimate the figure accurately experts believe that 100 000 Scots emigrated to the United States or Canada during the middle of the nineteenth century The majority of these emigrants were skilled educated workers from urban industrial backgrounds whose expertise was in great demand in the rapidly industrializing cities of North America For this book the first of five in the series see also Part Two Part Three Part Four and Part Five David Dobson who has previously published the most extensive lists of Scottish immigrants to America during the colonial and early Federal periods in print extends his coverage of Scottish immigration to the period 1825 1875 For the most part his findings come from Scottish newspapers like the Aberdeen Journal Fife Advertiser Scottish Guardian etc as well as from a handful of documents in the Scottish Record Office and other archives The Scottish expatriates identified by the compiler are arranged alphabetically and invariably give besides the individual's full name place of residence country state province or city an identifying date and the source of the information In addition many of the entries indicate the individual's date of birth father's name and occupation or place of residence spouse or the name of the vessel upon which he arrived In all Mr Dobson has culled information on upwards of 2 000 Scotsmen who were residing in North America during the early Victorian era      The Sporting Scots of Nineteenth-century Canada Gerald Redmond, 1982 This book examines the role of the Scots in the development of Canadian sport The evidence from the wide range of primary and secondary sources cited by the author proves that the Scottish contribution was significant      Great Scots! Matthew Shaw, 2003 Great Scots chronicles how penniless but enterprising Scottish emigres came to dominate almost all forms of enterprise in early Canada and literally created much of the country we know today

Through the fur trade Scots formed the backbone of North America's first continent wide industry more than two hundred years ago. This book demonstrates the astounding extent to which Canada's fundamental institutions and culture are a product of early tough minded Scottish immigrants.

**The Scottish Tradition in Canada** William Stanford Reid, 1976. The third largest ethnic group in this country the Scots have spread in all directions across the nation with the result that their history in Canada more than that of most ethnic groups is to a great extent the history of Canada itself. To show what effect Scottish participation has had on our nation this volume brings together the work of thirteen authors: historians, sociologists, literary critics and others who trace the history of the Scots in 14 different areas of Canadian life. The book concentrates on the years prior to 1900 with a final chapter sketching the part played by Scots in all aspects of Canadian life over the last seven decades. This authoritative series is devoted to objective readable histories of the many ethnic groups contributing to Canada's diverse heritage. Popular and scholarly at the same time each volume is an original study by a recognized expert or experts. Published in association with the Department of the Secretary of the State.

*The Scottish Pioneers of Upper Canada, 1784-1855* Lucille H. Campey, 2005-05-16. Scots some of Upper Canada's earliest pioneers influenced its early development. This book charts the progress of Scottish settlement throughout the province.

The Canadian Encyclopedia James H. Marsh, 1999. This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader. It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here. It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume. It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words. It has been UPDATED the researchers and contributors worked hard to make the information as current as possible. Other words apply to this extraordinary work of scholarship: AUTHORITATIVE, RELIABLE and READABLE. Every entry is compiled by an expert. Equally important every entry is written for a Canadian reader from the Canadian point of view. The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country. This book deserves pride of place on the bookshelf in every Canadian Home. It is no accident that the cover of this book is based on the Canadian flag. For the proud truth is that this volume represents a great national achievement. From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated. At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future. The statistics behind this volume are staggering. The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers, editors, typesetters, proofreaders and others who

contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada Canadian Gazette and Export Trader ,1911 **Scottish Migration Since 1750** James C. Docherty,2016-08-11 Scottish Migration since 1750 Reasons and Results begins a fresh chapter in migration studies using new methods and unpublished sources to map the course of Scottish migration between 1750 and 1990 It explains why the Scottish population grew after 1650 why most Scots continued to be female and the underlying economic reasons for Scottish emigration after 1820 It surveys migration to England Canada United States South Africa Australia and New Zealand It explores their names marriages family structures and religions and assesses how well they really fared compared to other British migrants Far from being just another Celtic sob story this book offers a model about how the histories of other migrant groups might be reappraised **Canadian History: Beginnings to Confederation** Martin Brook Taylor,Doug Oram,1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover The Oxford Companion to Scottish History Michael Lynch,2007 Searchable online reference covers more than 20 centuries of history and interpret history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A Z entries are complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen The Canadian Year Book ,1899 Union List of Serials in Libraries of the United States and Canada Winifred Gregory Gerould,Harry Miller Lydenberg,Daniel Carl Haskell,1927

**The Canadian Year Book for ...** ,1899 **Union List of Serials in Libraries of the United States and Canada**

Gabrielle Ernits Malikoff,1927      *Curling in Canada and the United States* John Kerr,1904      *Scots in the North American West, 1790-1917* Ferenc Morton Szasz,2000 Scots trappers dominated the fur trade often proving more loyal to clan than to trading company or nation Relying on centuries of experience raising livestock for British markets Scottish investors and managers became highly visible in the post Civil War western cattle industry with thriving outfits such as the Swan Land and Cattle Company in Wyoming They introduced new breeds to western ranching such as the Aberdeen Angus that remain popular today Similarly Scots herders dominated the western sheep industry running herds of over 100 000 animals Andrew Little s sheep ranch in Idaho was so famous that a letter addressed simply Andy Little USA found its intended recipient
