*Parallels* Jeremiah Lee, 2014-10-21 This work tells two stories at the same time The structure is as follows a portion of America s story is told and is under the heading of America Next a portion of Israel s story is written and appears under the heading of Israel After several portions of text which give the stories of both nations there comes a section titled The Parallel This section explains the similarities between the two nations The author refers to the divinely inspired pages of the Bible to point to the history of the nation of Israel and he shows how it parallels the history of America Is it word for word No but the themes and events presented parallel one another in a startling way Both Israel and America s present and future can be found in the Scripture and it is the future part which concerns most of us For how it all began is how it will begin again from the Introduction page ix and publisher s description Deciphering End-time Prophetic Codes Perry Stone, 2015 Cyclical and historical biblical patterns reveal America s past present and future events including warnings and patterns to leaders

**In Case of The Rapture** Paul Kasch, 2024-01-22 Watch therefore and pray always that you may be counted worthy to escape all these things that will come to pass and to stand before the Son of Man Luke 21:36 NKJV It s going to be eerie here on earth when millions of Christ loving believers are suddenly gone And they aren t the only ones who will be missing The manifestation of the Holy Spirit as the helper for the church will also be removed lifting the restraint which keeps that man of perdition from arising to take power With his deceptive help everyone who is left will soon get over the eeriness In fact there will likely be some good times in store for a short while anyway They will be followed by the worst times to ever occur which most of the remaining population will not survive Whether you are a believer hoping in the rapture a skeptic someone who is scared by today s headlines or are merely interested in understanding the scriptures supporting the doctrine Paul Kasch s latest book will take you on a wild and eye opening ride through the end of the world You will soon have a firm grasp on why Christians who look forward to the rapture believe what we believe You will also be given the set schedule along with sound Bible exposition for all the looming end times events Perhaps most importantly you will be shown the path of escape The Ancient Portals of Heaven David Herzog, 2011-07-28 What are the ancient pathways that opened up the supernatural for the ancients like Moses Elijah and Solomon What ancient wisdom did the wisest man in the world possess allowing him to be an king inventor writer scientist psalmist businessman and see the glory cloud first hand as well as allowed Israel to even travel worldwide including ancient America Where are the geographical and seasonal portals that have been forgotten How does one tap into resurrection power as Elijah Elijah Jesus and other did Ancient secrets to world harvest including the mystery of role of the sons of Isaac and Ishmael unlocking world harvest **Shut up and Listen!** Carl Robinson, 2010-11-16 What happened America used to be the most powerful and most respected nation in the world America used to be the beacon of hope and the epitome of Democracy America is now a mere caricature of what it used to be Secular progressives and anti America liberals have destroyed the moral fabric in which this country was founded upon You need only to look at the moral

decline and the incline of criminal activity to see that America needs a return to our Founding Father's original vision. Abortion runs rampant yet convicted criminals enjoy a life of free education and cable TV. We cut military spending resulting in terrorist attacks and then free those same terrorists from Guantanamo Bay. Americans have become apathetic. So long as we have American Idol, Big Macs and Wal-Mart, we're content to let our leaders infringe upon our inalienable rights. It's time to take America back.

**George Washington and the Jews** Fritz Hirschfeld, 2005. This volume explores the background and circumstances that brought about a milestone relationship between George Washington and the Jews. President George Washington was the first head of a modern nation to openly acknowledge the Jews as full-fledged citizens of the land in which they had chosen to settle. His personal philosophy of religious tolerance can be summed up from an address made in 1790 to the Hebrew Congregation in Newport, Rhode Island, where he said: "May the Children of the Stock of Abraham who dwell in this land continue to merit and enjoy the good will of the other inhabitants while every one shall sit in safety under his own vine and fig tree and there shall be none to make him afraid." Was it Washington's respect for the wisdom of the ancient Prophets or the participation of the patriotic Jews in the struggle for independence that motivated Washington to direct his most significant and profound statement on religious freedom at a Jewish audience? Fritz Hirschfeld is a documentary historian.

Debunking Jonathan Cahn – 3: A Comprehensive Critique of The Harbingers (I & II) Advanced Apologetics Research. Jonathan Cahn's *The Harbinger* and its sequel *The Harbinger II: The Return* have captivated a wide audience by presenting dramatic claims of prophetic connections between ancient Israel's history and contemporary events in America. These works suggest that America's national trajectory mirrors the biblical narrative of Israel with ominous warnings of divine judgment. While intriguing, these claims demand careful scrutiny: Are they rooted in sound theology, historical accuracy, and biblical interpretation? Or do they represent a sensationalized misapplication of scripture that risks distorting its core messages? This book, *Debunking Jonathan Cahn 3: A Comprehensive Critique of The Harbingers*, is a systematic exploration and critique of the theological, historical, and contextual assumptions underpinning Cahn's claims. Divided into three parts, the book addresses the key arguments presented in *The Harbinger* and *The Harbinger II: The Return*, providing a balanced yet critical analysis to help readers discern between faithful interpretation and speculative theology. Part One delves into *The Harbinger I*, examining its eight central claims or harbingers which purport to draw parallels between ancient Israel's covenantal breaches and events such as the 9/11 attacks and America's subsequent actions. These include the Breach, the Terrorist, the Fallen Bricks, the Tower, the Gazit Stone, the Sycamore, the Erez Tree, and the Prophetic Sign. Each chapter critiques these harbingers, highlighting where they rely on faulty hermeneutics, misapplied symbolism, or historical inaccuracies. A synthetic analysis concludes this section, addressing the overarching themes and implications of *The Harbinger's* narrative. Part Two transitions to *The Harbinger II: The Return*, which expands upon the original work with ten additional harbingers. These include the Watchmen, the Gate, the Mystery Ship, the Word in the Ruins, the Book of Days, the

Image the Judgment Tree the Children of the Ruins the Convergence and the Handwriting on the Wall This section evaluates the theological and prophetic claims of The Harbinger II questioning the validity of its expanded narrative and its implications for understanding America's moral and spiritual condition As with Part One the section concludes with a synthetic analysis that integrates the key critiques and themes Part Three offers a systematic analysis of both works focusing on their shared errors and theological implications It identifies key missteps in Cahn's approach including faulty hermeneutics historical misrepresentations and misunderstandings of biblical warnings and repentance This section also emphasizes the importance of contextual interpretation urging readers to engage with scripture faithfully and critically Finally it highlights the dangers of speculative theology and sensationalism warning against narratives that may captivate audiences but lack biblical grounding This critique is not intended to dismiss the value of engaging with prophetic themes or calling nations to moral accountability However it seeks to ensure that such endeavors are rooted in sound theology and respectful interpretation of scripture The Harbinger series while popular raises significant concerns about the ways in which biblical texts are employed to construct dramatic narratives that may distort the Bible's message and purpose By addressing these concerns this book aims to provide readers with tools for discerning faithful biblical interpretation and understanding the proper use of scripture in addressing contemporary issues

*The Idea of Pakistan* Stephen P. Cohen, 2004-09-21 In recent years Pakistan has emerged as a strategic player on the world stage both as a potential rogue state armed with nuclear weapons and as an American ally in the war against terrorism But our understanding of this country is superficial To probe beyond the headlines Stephen Cohen author of the prize winning *India Emerging Power* offers a panoramic portrait of this complex country from its origins as a homeland for Indian Muslims to a military-dominated state that has experienced uneven economic growth political chaos sectarian violence and several nuclear crises with its much larger neighbor India Pakistan's future is uncertain Can it fulfill its promise of joining the community of nations as a moderate Islamic state at peace with its neighbors or could it dissolve completely into a failed state spewing out terrorists and nuclear weapons in several directions *The Idea of Pakistan* will be an essential tool for understanding this critically important country

**Phoenix Rising** Donald G. Lett, Donald G Lett Jr, 2008-02 In an age when the supply of gasoline to feed this modern American society has become both more expensive and more scarce questions are being pondered Inquires like How can a modern society scale back its dependence on gasoline as a motive source Are there genuine alternative power sources Are they the answer to a growing crisis Recent announcements of hybrids like those from Honda Toyota and Ford have really brought attention to this issue Hybrids that use both gasoline engines and electric motors Really though alternative power sources have been around for as long as the automobile has been The battle between and among the steam car the electric and the gas car was fought out in the first couple of decades of the twentieth century This book explores the ins and outs of that battle A struggle from which the gasoline car emerged completely victorious To such an extent that steam cars and electric cars virtually disappeared from the scene for many decades We will look over all three alternatives exploring their advantages and disadvantages We will also look over the obstacles to the steamers and the electrics Barriers that still exist to a certain extent Handicaps that caused their disappearance in the first place

**Pushing Against Darkness** Michael H Imhof, If you wonder what is going on in our country lately the rioting fires violent protests etc you need to read this book Commander Imhof takes the reader behind the scenes to expose some of the evil and the evil doers that operate covertly and pull the strings of not only those in government positions who play into their hands but also in the private sector You will learn who is behind the rabid efforts to take out President Trump and why they are so desperate to remove him from office Commander Imhof is convinced that America needs to return to its Christian roots He firmly believes Americans should heed 2 Chronicles 7 14 which says If My people who are called by My name will humble themselves and pray and seek My face and turn from their wicked ways then I will hear from heaven and will forgive their sin and heal their land This book is a collection of short op ed pieces that Commander Imhof wrote and were published in his local newspaper over a period of several years As such some of the information will appear dated But that s OK because the point being made is still relevant today Each article is short to the point and packs a punch that will leave you wanting to stand up and cheer Either that or you will shake your head with

sadness as you become aware of the truly evil things that are happening in America today      **The Harbinger Companion with Study Guide** Jonathan Cahn, 2013 Thirteen week resource for the New York Times best seller decode the mysteries and respond to the call that can change America's future and yours Cover      *Globalization or Empire?* Jan Nederveen Pieterse, 2004-08-01 In this smart and concise examination of the trends driving contemporary globalization Jan Nederveen Pieterse argues that the United States pursuit of global primacy is based upon a complex melding of neoliberal economics and hegemonic politics Do alternate capitalisms offer viable alternatives to the American way *Globalization or Empire* looks at globalization with acuity and thoughtfulness and uncovers its underlying dramas      **Aligning with Heaven** David Herzog, 2015-05-19 In the midst of worldwide shaking and global anxiety nations search for strategies People struggle desperate for answers Maybe this describes you This timely repackaged edition of *The Ancient Portals of Heaven* reminds believers that they are citizens of another world Heaven Your life and your world need Heaven's      **The New Apostolic Reformation, Trump, and Evangelical Politics** Damon T. Berry, 2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights or a nostalgia for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump's candidacy and to continue to defend his presidency re election against demonically inspired Marxist Deep State enemies In this conspiratorial cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God's anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump's candidacy presidency and re election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century      *Nasty Gets Us Nowhere* Drenda Keese, 2020-09-01 In today's culture war of feminism sexual fluidity and confused gender roles *Nasty Gets Us Nowhere* offers insight and answers that are rarely heard especially in the media Exposed to the feminist message while in high school author Drenda Keese became a strong supporter of the movement abandoning the idea of marriage and children until life became unbearable Fortunately when I came to the end of me God was there she says In *Nasty Gets Us Nowhere* Drenda provides statistics and solutions to confront the lies that she sees invading our culture at an accelerated pace and tells the true story that no one wants to talk about What happened to the family Men and women whose fault is it The true science behind our differences What men really want from women and vice versa The cheat sheet everyone needs to resolve conflict The new S word that's critical to relationship success Drenda reveals why men and women have conflict what God's plan for unity is and how men and women

### **Parallels America And Israel Introduction**

In today's digital age, the availability of Parallels America And Israel books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Parallels America And Israel books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Parallels America And Israel books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Parallels America And Israel versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Parallels America And Israel books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Parallels America And Israel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Parallels America And Israel books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational

institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Parallels America And Israel books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals.
