**Parenting with a Purpose** Amy O'Donnell, 2014-11-12 As a mom of four I understand parenting is one of life's greatest adventures. Our kids do not come with instruction manuals. They are unique; each one contains different gifts, talents, likes, and dislikes, and what works for one does not work for all. Through every stage and season, it's great to know we don't have to parent on our own. We can lean on God for wisdom, discernment, guidance, and support. We can allow His love to fill us up and flow through us. And we can link arms with family and friends who will uplift, encourage, and pray with us on the journey. This book is a collection of stories from my life, real-life experiences, and teachable moments from my family with supporting scriptures and Biblical principles. You may laugh, you may cry, but my greatest desire is that you will feel encouraged in knowing you are not alone in what you experience as a parent.

**Everyday Prayers for the School Year** Tara L. Cole, 2022-08-02 Moms know all too well that God doesn't promise an easy road for us or our kids. As much as we'd love to protect them from heartaches, it just isn't possible. This is especially true during the school year when they are introduced to new teachers, new classmates, new concepts, and maybe even a new school that seems big and frightening. Jesus tells us, "In the world, you will have tribulation. But take heart; I have overcome the world." (John 16:33). With this reassurance, we try to reassure our children that no matter what, God is there and He's on their side. And we pray. In *Everyday Prayers for the School Year*, author Tara L. Cole offers devotional readings and opportunities for mothers to pray for many issues concerning their children, such as: Are they making godly friends? Are their teachers kind and caring? Can they make wise choices in bad situations? Will they commit to studying? Are they being targeted by bullies? If they are unprepared for a test, will they trust God or cheat? No matter what our kids are facing during the school year, we can't go wrong when we pray and teach them to pray too. Our prayer is that they ultimately trust Him for their salvation, but even after they become Christians, they have the daily choice to trust God when they feel like they are standing alone and the circumstances look impossible. Tara says, "My hope for

manipulative and controlling people try to make you feel guilty to get their own way regardless of what's good for you. They'll accuse you of insensitivity or disloyalty or a lack of Christian kindness in order to pressure you into giving your time, your money, or even yourself into doing what they want even though you are not being led by the Lord to do so. In this mini book on manipulation, you will learn what tactics are used by controlling people, why you have been manipulated, and how to stop being manipulated. In other words, this Hope for the Heart mini book, *Manipulation*, gives Christians the confidence to say no to people so they can say yes to God. Did you know that there are several verbal and non-verbal types of manipulation? Spiritual manipulation is not often talked about but is very present in the Bible and is very common today. Learn all 16 types of manipulation and how manipulators use words, seductive gestures, power, and spite to get what they want. In the section titled *Steps to Solution*, June Hunt gives you practical advice on: The first 4 steps away from manipulation; How to discover your own manipulative maneuvers; 9 ways to say No to manipulators; How to answer common questions on manipulation; And much more. To stop being manipulated, you must sometimes say no to people so you can say yes to God. Manipulative traits are often passed on from generation to generation, but you have the power to stop the abuse and start the healing. Manipulation and deceit started all the way back in the Garden of Eden when Satan convinced Adam and Eve to sin. The root cause is our own selfish desires, but they can be stopped with God's help, and you can walk once again on the path to wholeness. This mini book is a quick overview and is easy to understand. It focuses on the key issues and is perfect for the busy person who needs instant advice.
