

## Parents' Guide for Confirmation Lessons

This package has been designed to help parents guide their child as they journey toward a more complete Christian spiritual maturity while preparing to be confirmed. Candidates will soon be confirming that they wish to become full members of the Church in both their thoughts and actions. This is a major commitment that requires an informed decision to be made by each candidate so that they might feel confident in living out their new role in the Church. While no candidate will ever follow this road alone, as parents, sponsors or members of the community, we need to do everything possible to make this journey a rewarding one for each candidate.

In an attempt to do my part to help out, I have been asked to create a user friendly guide that will help you draw out the essential information from the "Confirmation for teens" program that will help your son or daughter to make a solid, informed decision about choosing to be confirmed. It seems these days we are all pulled too far in too many directions, making it difficult to find the time to focus our energy on one specific task. A quote from one of my favourite books by Og Mandino touches on this by stating, "Concentrate your energy. To be everywhere is to be nowhere." If I can help make it easier for candidates and their families to go through this material, and understand what is really important for them to know in order to receive the sacrament of Confirmation, then my time has been well spent.

In order to successfully complete this program, candidates will be required to concentrate on a number of concepts related to Confirmation and to complete a number of activities. The concepts to be focused on are:

- Understanding the Sacraments of Initiation - Baptism, Confirmation and Eucharist
- Understanding basic belief statements of the Catholic Church - The Nicene and Apostles' Creeds, the Ten Commandments and the Beatitudes
- Understanding the gifts and fruits we have been given by the Holy Spirit.

The activities to be completed are:

- Selecting a Confirmation name
- Selecting a sponsor
- Writing a Saints essay
- Completing a witness project
- Writing a letter to the Bishop
- Completing family homework assignments
- Participating in a candidates' retreat.

This guide will be comprised of brief lesson overviews and will identify objectives to be met for each lesson. Hopefully this will help each family to concentrate their energy on the most important information in this program. I will also describe the various activities that need to be completed to successfully complete the program.

I hope this is an informative and spiritually rewarding journey for your family.

Peace,

*Mike Osionaj*
