

Basic Five Paragraph Essay Format

Paragraph	Content	
Introduction	Sentence 1	<u>Hook</u> - One sentence designed to grab your reader's attention (quote, question, thought-provoking statement, anecdote, interesting fact, etc).
	Sentence 2-3	<u>Background Information</u> - Connect your general hook to your specific topic. What basic information should your reader know about your topic in order to understand your essay?
	Sentence 4-5	<u>Thesis</u> - One to two sentences identifying your topic, claim, and specific arguments you intend to make.
Body #1 through Body #3	Sentence 1	<u>Topic Sentence</u> : One sentence identifying what your paragraph is going to be about. This sentence should use transitions such as, first, second, third, last, also, additionally, etc.
	Sentence 2-6	<u>Details</u> : Use these sentences to prove your point using specific details from the text. The more specific you can make it, the better. Use quotes, page numbers or examples from text.
	Sentences 7-8	<u>Paragraph Summary/Transition</u> - Briefly wrap up your paragraph by putting your final thoughts on the topic at hand. Basically in your own words, what overall idea or statement do the details you supplied create? How might this topic lead into the next idea?
Conclusion	Sentence 1	<u>Wrap-Up Statement</u> : This is a one sentence overview of your topic. What is the overall point/argument/idea of your essay? You can use your original thesis to create this sentence.
	Sentence 2-3	<u>Recap Specific Ideas</u> : Use these sentences to summarize your main points from your body paragraphs. Never word your points the exact same way. Add variety by restating the ideas using new words. At no point should you introduce new ideas in your conclusion.
	Sentence 4-5	<u>Lasting Impression</u> - One to two sentences leaving your reader with a memorable idea, thought or call to action. It is clear from these sentences that your essay is done.

Studying English Literature Tory Young, 2008-05-22 *Studying English Literature* is a unique guide for undergraduates beginning to study the discipline of literature and those who are thinking of doing so Unlike books that provide a survey of literary history or non subject specific manuals that offer rigid guidelines on how to

write essays Studying English Literature invites students to engage with the subject's history and theory whilst at the same time offering information about reading researching and writing about literature within the context of a university The book is practical yet not patronizing for example whilst the discussion of plagiarism provides clear guidelines on how not to commit this offence it also considers the difficulties students experience finding their own voice when writing and provokes reflection on the value of originality and the concepts of adaptation appropriation and intertextuality in literature Above all the book prizes the idea of argument rather than insisting upon formulaic essay plans and gives many ways of finding something to say as you read and when you write in chapters on Reading Argument Essays Sentences and References

teacher discovery. However, it refuses to bow under the weight of these challenges. Its contributors focus instead on how to overcome acknowledged inadequacies in learning how to teach writing as well as how to practice principled literacy instruction. These contributors see gaps not as unbridgeable chasms but rather as opportunities to educate their students to use writing to understand the broader context of their education and pre-service candidates to adapt curriculum creatively. Contributors include new and seasoned secondary school teachers, graduate students, and university faculty who together remind us of old insights needing to be passed along. Villanueva and show us new practices that challenge the conventions of the status quo and promote social justice. To close the gaps, in short, they demonstrate how rhetoric and truth are intertwined. In a time when too many children continue to be left behind, this book should be required reading for all literacy teachers because it is in our continued willingness to learn from each other that hope resides.
