**Be the Parent of Your Child's Dreams** Malcolm Bonner, 2014-10-07 I wrote Be the Parent of Your Child's Dreams because with so much media and institutional emphasis on labeling controlling and punishing our children we as a society had lost touch with the most important element to love our children We can learn to practice principles of recovery such as honesty compassion open mindedness forgiveness acceptance and unconditional love with our own children In Be the Parent of Your Child's Dreams the focus is on us as parents to bring our best selves to every moment and every interaction with our children Each daily reflection illustrates principles that parents whether in recovery or not can incorporate into our lives I want to thank all of my family members and friends who contributed to the writing of Be the Parent of Your Child's Dreams

**Motherhood Inspiration: Praying Your Way through Healthy Parenting** Whitnie Steele, 2023-08-14 The journey of motherhood is different from one household to another Yet what remains the same is that at some point throughout this journey all moms reach a point of uncertainty a season where they can no longer control the outcome of their youth's decisions Motherhood Inspiration Praying Your Way through Healthy Parenting is birthed from the heart of a praying mother who found herself in this same scenario The daily devotions in this book include a ray of prayers such as gratitude of motherhood identity and forgiveness issues health and financial blessings down to the breaking of generational curses Some of these prayers deal with you moms because truth be told we cannot expect to see changed behavior or results in our children's lives until we first take accountability and transform our own lives The scriptures provided correspond to the prayer of the day The activities supplied correspond to that of which we are devoting our hearts and minds to As the author of this book it is my deepest wish that these devotions bring you solace through your darkest situations hope in your seasons of despair and empowerment to be the change your children need From one mother to another I encourage you to pray your way through healthy parenting
