**Thy Truth Then Be Thy Dowry** Stéphanie Durrans, 2014-03-26 This collection of essays provides new insights into the theme of inheritance in American women's writing ranging from Emily Dickinson's appropriation of Shakespeare's legacy to Meredith Sue Willis's exploration of the tension between material inheritance and spiritual heritage in the Appalachian context Using diverse critical and theoretical models the twelve contributors examine women's problematic relationship to inheritance in a variety of historical geographical and personal contexts bringing to the fore a number of strategies of resistance and empowerment that have helped women cope with the burden or the lack of any inheritance through the centuries Grouped into four sections these essays successively investigate women's attempts to grapple with the curse of personal or national inheritance the troubled relationship with the father figure the classic trope of the haunted Gothic house and the plight of more contemporary women writers who have been relegated to the dead zone of American literary inheritance Of crucial importance for all of these writers is the tension between the home and the land as well as a questioning of intertextuality as the starting point for a reconfiguration of the self in its relationship with the past

Williams's unforgettable first novel is the story of a small Southern town struggling to care for one of its own. In a rundown farmhouse in Mississippi, Jake Darby wakes up one morning to find his world forever changed. His long suffering mother has died overnight, abandoning forty-year-old Jake, who is mute and, according to his neighbors, not quite right in the head. With no family to take him in, it is up to the townspeople of Marigold to take care of Jake, a grave responsibility that brings out the best and the worst of a community in which painful truths are usually hidden from sight. In such a place, even the kindest of acts can lead to the most tragic of outcomes. Heralded as the debut of a major new talent when it was first published in 1961, *The Morning and the Evening* won the John P. Marquand First Novel Award from the Book of the Month Club and established Joan Williams as a leading voice in Southern literature. Elegant, compassionate, and deeply unsettling, it is a portrait of the human spirit in all of its flawed and intricate beauty and a tale firmly grounded in reality yet told with all the power of myth.
