The Triumph of Israel's Radical Right Ami Pedahzur, 2012-12-06 Two decades ago the idea that a radical right could capture and drive Israeli politics seemed highly improbable While it was a boisterous faction and received heavy media coverage it constituted a fringe element Yet by 2009 Israel s radical right had not only entrenched itself in mainstream Israeli politics it was dictating policy in a wide range of areas The government has essentially caved to the settlers on the West Bank and restrictions on non Jews in Israel have increased in the past few years Members of the radical right have assumed prominent positions in Israel s elite security forces The possibility of a two state solution seems more remote than ever and the emergence of ethnonationalist politician Avigdor Lieberman suggests that its power is increasing Quite simply if we want to understand the seemingly intractable situation in Israel today we need a comprehensive account of the radical right In *The Triumph of Israel s Radical Right* acclaimed scholar Ami Pedahzur provides an invaluable and authoritative analysis of its ascendance to the heights of Israeli politics After analyzing what exactly they believe in he explains how mainstream Israeli policies like the right of return have served as unexpected foundations for their nativism and authoritarian tendencies He then traces the right s steady rise from the first intifada to the Greater Israel movement that is so prominent today Throughout he focuses on the radical right s institutional networks and how the movement has been able to expand its constituency His closing chapter is grim yet realistic he contends that a two state solution is no longer viable and that the vision of the radical rabbi Meir Kahane who was a fringe figure while alive has triumphed

The ^ATriumph of Israel's Radical Right Ami Pedahzur, 2012-10-15 Two decades ago the idea that a radical right could capture and drive Israeli politics seemed highly improbable While it was a boisterous faction and received heavy media coverage it constituted a fringe element Yet by 2009 Israel s radical right had not only entrenched itself in mainstream Israeli politics it was dictating policy in a wide range of areas The government has essentially caved to the settlers on the West Bank and

restrictions on non Jews in Israel have increased in the past few years Members of the radical right have assumed prominent positions in Israel s elite security forces The possibility of a two state solution seems more remote than ever and the emergence of ethnonationalist politician Avigdor Lieberman suggests that its power is increasing Quite simply if we want to understand the seemingly intractable situation in Israel today we need a comprehensive account of the radical right In *The Triumph of Israel s Radical Right* acclaimed scholar Ami Pedahzur provides an invaluable and authoritative analysis of its ascendance to the heights of Israeli politics After analyzing what exactly they believe in he explains how mainstream Israeli policies like the right of return have served as unexpected foundations for their nativism and authoritarian tendencies He then traces the right s steady rise from the first intifada to the Greater Israel movement that is so prominent today Throughout he focuses on the radical right s institutional networks and how the movement has been able to expand its constituency His closing chapter is grim yet realistic he contends that a two state solution is no longer viable and that the vision of the radical rabbi Meir Kahane who was a fringe figure while alive has triumphed

Whipped Alex

Marland,2020-09-15 Canadians often see politicians as little more than trained seals who vote on command and repeat robotic talking points Politicians are torn by dilemmas of loyalty to party versus loyalty to voters *Whipped* examines the hidden ways that political parties exert control over elected members of Canadian legislatures Drawing on extensive interviews with politicians and staffers across the country award winning author Alex Marland explains why Members of Parliament and provincial legislators toe the party line and shows how party discipline has expanded into message discipline He recounts stories from Prime Minister Brian Mulroney s drive for caucus cohesion in the 1980s through to the turmoil that the SNC Lavalin crisis wrought on Justin Trudeau and the Liberal Party in 2019 From caucus meetings to vote instructions this book exposes how democracy works in our age of instant communication and political polarization Filled with political tips *Whipped* is a must read for anyone interested in the real world of Canadian politics

Changing Governance and Management in Higher Education William Locke,William K. Cummings,Donald Fisher,2011-06-01 External drivers are pressing for a more privatized approach to higher education and research a greater reliance on technology and the more efficient use of resources This book analyzes recent changes in institutional governance and management in higher education and their impact on the academy and academic work It draws on findings from an international study based on a survey of academics in eighteen countries It opens with a chapter outlining the key issues drivers and challenges that inform contemporary discourse around academic work and the profession in general It then focuses on national case studies comparing changes in the top tier with the lower tiers of national systems public and private institutions and other differentiating factors appropriate in each country which include mature and emerging higher education systems It concludes by proposing a series of generalizations about the contemporary status of governance and management of institutions of higher education

Guerrilla Marketing For Dummies Jonathan Margolis,Patrick Garrigan,2008-10-06

Guerrilla Marketing For Dummies provides organisations with cutting edge solutions that achieve maximum results from minimal resources *Practical Tourism Research, 2nd Edition* Stephen L J Smith, 2016-12-19 Training in research methods is increasingly important for students of tourism and this broad accessible textbook outlines the concepts and tools essential to understand manage and conduct research Taking a practical approach throughout this new edition provides advice on the use and cautions associated with some of the more common research designs and tools used by tourism researchers Also including an increased use of handy pedagogical features to aid learning this new edition is an essential overview for undergraduate and postgraduate students of tourism research as well as a useful resource for researchers consultants and managers NETS Four Seasons Guide for Saving Lives ,1992 Conducting Health Research Frederick J. Kviz, 2019-02-20 Conducting Health Research Principles Process and Methods presents an integrated and practical introduction to the principles and strategies for planning implementing reporting and assessing health sciences research Comprehensive in its breadth and depth with an accessible writing style this text prepares students in public health and related fields to be adept researchers and consumers of health research Through real world examples and step by step guidance Frederick J Kviz provides students with the skills they need to identify and evaluate research strengths and limitations as practitioners to actually perform the various core aspects of research and to choose among alternative methods when making decisions about health practice policy and future research needs **Political Analysis Using R** James E. Monogan III, 2015-12-14 This book provides a narrative of how R can be useful in the analysis of public administration public policy and political science data specifically in addition to the social sciences more broadly It can serve as a textbook and reference manual for students and independent researchers who wish to use R for the first time or broaden their skill set with the program While the book uses data drawn from political science public administration and policy analyses it is written so that students and researchers in other fields should find it accessible and useful as well By the end of the first seven chapters an entry level user should be well acquainted with how to use R as a traditional econometric software program The remaining four chapters will begin to introduce the user to advanced techniques that R offers but many other programs do not make available such as how to use contributed libraries or write programs in R The book details how to perform nearly every task routinely associated with statistical modeling descriptive statistics basic inferences estimating common models and conducting regression diagnostics For the intermediate or advanced reader the book aims to open up the wide array of sophisticated methods options that R makes freely available It illustrates how user created libraries can be installed and used in real data analysis focusing on a handful of libraries that have been particularly prominent in political science The last two chapters illustrate how the user can conduct linear algebra in R and create simple programs A key point in these chapters will be that such actions are substantially easier in R than in many other programs so advanced techniques are more accessible in R which will appeal to scholars and policy researchers who already conduct extensive data analysis

Additionally the book should draw the attention of students and teachers of quantitative methods in the political disciplines

Proving the Value of HR Jack Phillips, Patricia Pulliam Phillips, 2012-07-01 Measuring the return on investment ROI of human resources programs is critical for success in today's business world and is an absolute requirement for HR professionals who are part of the senior executive team This revised and updated second edition of *Proving the Value of HR* illustrates the use of ROI methodology as a communication tool that strengthens the relationship with senior management as well as a process improvement tool that enhances and improves HR's contributions to the bottom line With this guide HR managers will prove their value to their companies by learning how to measure ROI in a variety of programs policies practices and solutions develop the ROI of HR with basic step by step instructions and collect analyze and report data with sophistication
