

Science Curriculum Matrix

Third Grade

**Version 1.0 beta
June 2, 2008**

This curriculum (core matrix) document will eventually become part of the Science Curriculum Matrix. We envision the Science Curriculum Matrix as an online resource that is organized by both concepts and topics and linked to exemplar instructional resources. This version is currently organized by the Science Standards of Learning for convenience only.

In addition to this document, we recommend that you review the [Third Grade Science Curriculum Framework](#) for additional clarification regarding the Grade 3 Science SOL and the [Third Grade Science Enhanced Scope and Sequence](#) for unit and lesson planning resources. Please use these documents in your instructional planning and let us know how we can make improvements. Please contact Chuck Pace with your comments and suggestions at cpace@k12albemarle.org.

Thanks,
