or merely to find the Instruction Book of a old sewing machine some are existing as PDF files for free or costly often  
stemming from old scanned handbooks and in fact not very practical with use That is why we republished the PFAFF 90  
sewing machine Instruction Book by wanting it as close to the original document as possible although the make up is a little  
different and that the book has quite a different format We also wanted it more user friendly by adding some pages intended
