**Maritime Guide** ,2001      *The Entremés for Performance* Kerry Wilks,Ian M. Borden,2024-02-29 This bilingual anthology brings together a collection of Spanish entremeses the comic interludes that were performed between the acts of a comedia Penned by authors such as Lope de Rueda Cervantes Calder n Quevedo and Qui ones de Benavente many of these plays appear here for the first time in English Translated for performability these plays create a panoramic view of one act plays from Spain s classical theater period Presented with discussions of dramaturgical and performance possibilities and difficulties including relevant historical cultural and social information for the plays the collection opens with two precursors to the entrem s moves through the breadth of the entrem s form and concludes with works from the 18th century including a sainete There are also examples of trans adaptation that show how these works can be interpreted through strong directorial concepts that relocate the plays in historical time and location The selected titles raise challenges to social mores and expectations surprise with their humor and delight with their stagecraft Whether aimed at the classroom or the stage the collection is valuable for research pedagogy and performance

**Forging a Rewarding Career in the Humanities** Karla P. Zepeda, Ellen Mayock, 2014-11-26 As has been abundantly documented in the popular and academic press the humanities are facing challenging times marked by national debate regarding the importance of the humanities in higher education program and budget cuts and an ever decreasing number of tenure track jobs In addition the humanities face quite literally a quantification of their value as the Academy adopts a more corporate mindset This volume provides advice to professionals in the humanities on how to forge a useful compelling and productive career The book s 13 chapters address professional approaches to developing and maintaining an active research agenda fomenting the ideals of the teacher scholar model managing the service demands within and outside the college or university and navigating institutional politics The collection offers practical and theoretical approaches to higher education personal anecdotes intelligent advice and interviews with colleagues in the humanities Specific themes addressed include the transition from graduate student to humanities professional diverging from prescribed paths the humanities professor as creative writer moving from secondary to post secondary education humanities in an international market based context and participation in governance structures Cover photograph Silent Flutes by Adilia D Ortega
