Anderson,2023-12-08 In almost half the communities in small town and rural Canada that have a post office there are no bank or credit union branches Only about fifty four bank and credit union branches exist in the over 615 First Nations communities in Canada A growing number of urban areas in Canada have no accessible banks or credit unions Why Canada Needs Postal Banking offers a plethora of information about the banking industry that will shock ordinary Canadians In explaining the banking system that many of us take for granted the author reveals a deep and largely unrecognized gap between the services offered in densely populated urban spaces and those available in small towns rural and remote regions and Indigenous communities As a solution to this dearth in services John Anderson proposes a logical alternative to big private sector banks the post office Basing his argument on historical fact international experience and the exorbitant cost of traditional banking services the author builds a logical and compelling case for reestablishing banking services at Canada Post Composed of a collection of research papers interviews and opinion pieces Why Canada Needs Postal Banking provides convincing and well organized data to support the reintroduction of postal service banking in Canada Readers can absorb survey results that document citizen municipality and union support for this strategy Tables and graphics provide easy access

for those who want to assess the statistical facts and figures at a glance Written in clear succinct and transparent language Why Canada Needs Postal Banking engages the reader while delivering surprising information In a landscape where challenges seem overwhelming much of the time this book proposes a solution that while not without its difficulties is implementable It delivers answers and alternatives that support business and individuals needs in different parts of the economy that have been for too long and too often overlooked The Latin America & Caribbean Review ,1986 *The Economist yearbook : 1992 in review*.
