Similar to your real exam, each question in this paper gets harder towards the end of each question, so if you find you can't do the last part of a certain question, try the next question – they all start off easier and then get harder.

Grade boundaries

These are VERY rough guesses! Getting an 8 or 9 on this paper does not guarantee you the same mark in the exam.

- 9 75
- 8 65
- 7 55
- 6 45
- 5 35

The information from the exam board gives us a board overview of what is covered in the exam. If a topic is not listed as a 'major focus' it can still come up in a question but that question might not be worth many marks. There are questions in this paper that cover topics that are not a 'major focus' for the exam but don't let that worry you!
