*The Unconventional Thinking of Dominant Companies* Jim Bramlett,2018-07-12 Have you ever wondered what separates  
a good company from a great one or a great one from a dominant company Do you know why Amazon completely dominates  
the e commerce market Why does Uber lose money and yet get valued at over fifty billion dollars Why does Netflix crush its  
competition Dominant companies think differently They engineer their company completely around the customer and  
especially the customer experience Whether they realize it or not dominant companies use a formula that conventional  
companies dont In this book you will learn about the hassle quotient and how companies that use it can dominate or take a
